## WARNING!

The women you are about to meet are dangerous. Beautiful yes, but dangerous. The girls you will encounter in CHERI's 32nd Anniversary issue ooze sex from every pore. You may find yourself powerless and weak-kneed before their magnetic sexual energy. We wanted to throw the ultimate porn party for this year's anniversary bash, so we invited the biggest and brightest stars in adult entertainment to join us. But things quickly got out of hand. See for yourself. Turn a couple of pages and you'll find Eva Angelina, this year's Best Actress winner, probing her hot holes just for her CHERI fans. Then porn powerhouse and CHERI Entertainment Editor Jesse Jane takes us behind-the-scenes at this year's Adult Entertainment Expo and Adult Video News Awards. Think Jesse is teasing you, leaving you wanting more? Then flip ahead to our exclusive 10-page layout of the adult expo and awards show and check out all the stars, up close and personal. In the pages ahead you will find Female Performer of the Year Sasha Grey playing a kinky game of Hide the Salami with Steven St. Croix, while Club Jenna contract girl Lela Star explores her own perverse fetish fantasies. Roxy Deville and Ava Rose demonstrate the fine art of dildo penetration, while their European counterparts—international sex stars Veronica DeSouza and Cherry Jul—put on a mindbending, crotch-soaking display of depraved lesbianism. McKenzie Lee and Lacie Heart double-team Ben English's rigid rod while the cast of Lethal Hardcore's *Multiple Chicks on One Dick #4* show sluts everywhere that sharing a schlong is fun and easy! We've even got an exclusive interview with porn's most unlikely new starlet—the original Long Island Lolita, Amy Fisher Toss In The Year's Hottest Sex Shots and reviews of the best new XXX DVD releases, and this is the hottest issue of CHERI since...ever! There is a porn star on every page of our scorching 32nd Anniversary issue, all of them eager to coax the load from your nuts. Prepare yourself for the ultimate in sexual debauchery...and don't say we didn't warn you.

**H**ey guys! I'm so excited that you guys have stuck with me and have made me one of porn's hottest sluts. I still can't believe the incredible year I've had. I've won so many awards, had sex with so many people, and got my anal cherry popped, and was DP'ed for the first time ever—wow, what a year! I love all you guys, and I did it all for you. I love being a whore; it's the greatest job in the world. I promise I'm going to keep at it, sucking cock, eating girls out, and spreading my legs to take on all pricks, big and bigger! You guys are the best, and I won't let you down. I still have a long way to go before I hang up my g-string, so please keep watching and jerking your cocks off to me. I can almost taste your hot, milky jizz being shot in my mouth. Mmmm...keep on cumming. I sure will. ♀

## JESSE JANE

### THE 2008 AVN AWARDS SHOW!

**B**efore we start off this column, let me first wish all the guys from my favorite hardcore, XXX porno magazine, *CHERI Magazine*, a happy 32nd anniversary! Hope it's fantastic. I'm wishing you many huge and kisses, and lots more hot porn babes to fill the pages of the world's hottest sex magazine. It's where the porn stars come to play—like me! Yay!

Now, on to all the craziness and silliness that happened at this year's AVN awards. I can't believe it's already over. What a great year it was. There were, of course, lots of horny fans there to see their favorite porn stars. Every year, the show just gets bigger and bigger.

When I got there Tuesday, I went straight to a press dinner. You see, when I go to AVN, it's work all day and all night long. There never is any down time, but that's what I like about AVN. So we had the dinner at an Italian restaurant in the Venetian Hotel. I got to see my girls from Digital Playground—Shay Jordan, Sloya, Katsuni, and Adrianna Lynn. Then, of course, all the people who work for Digital Playground, and all the media. It's a tradition we do every year to

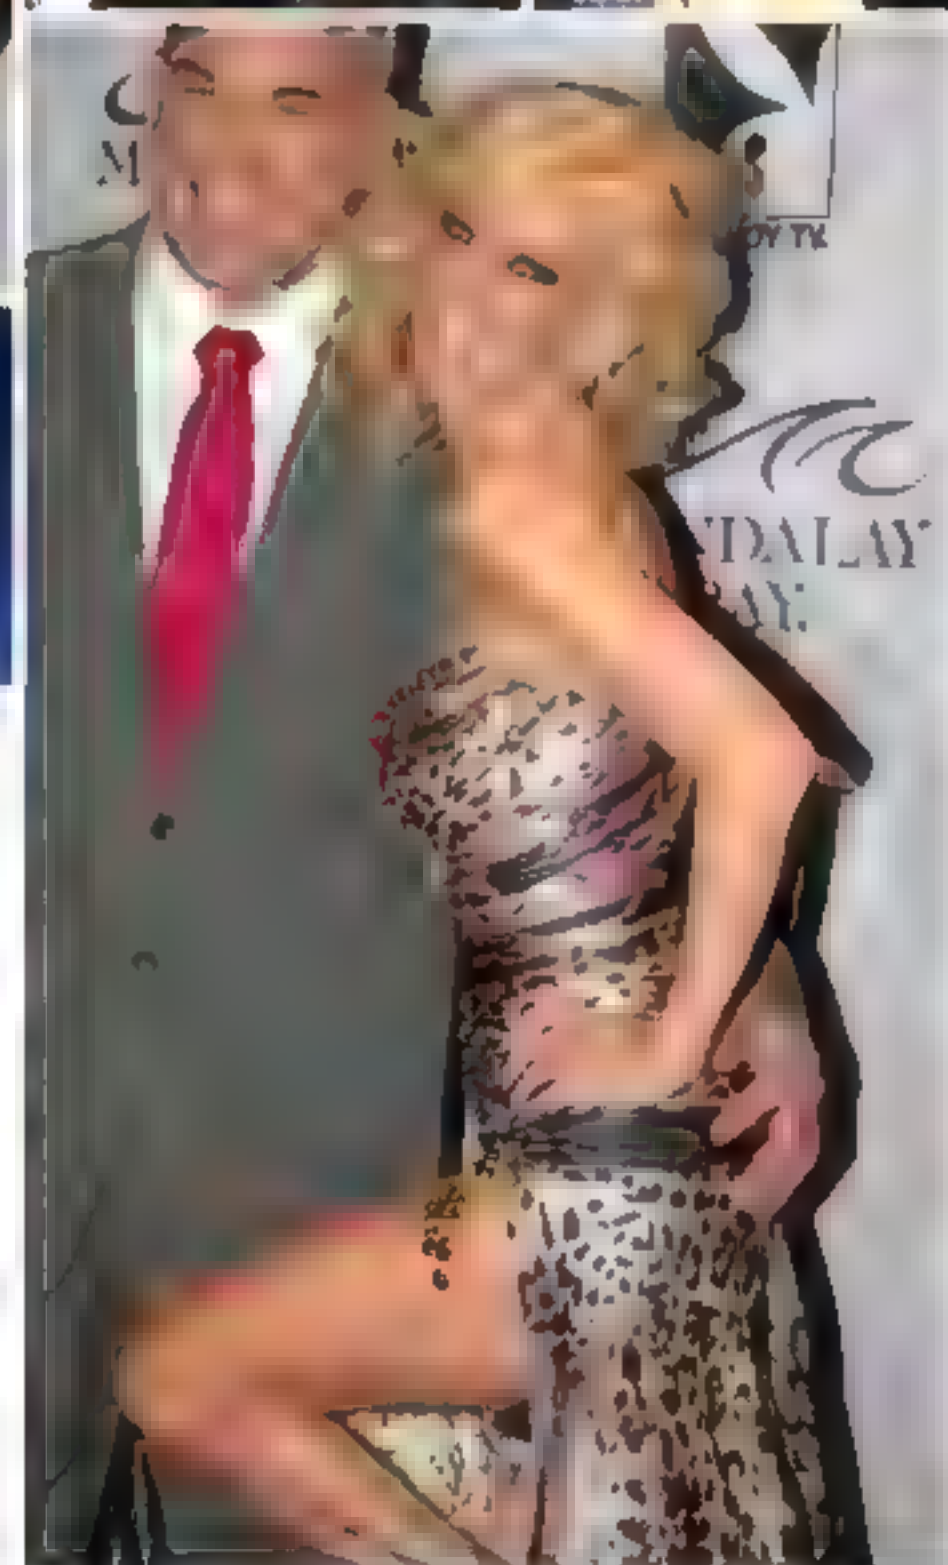

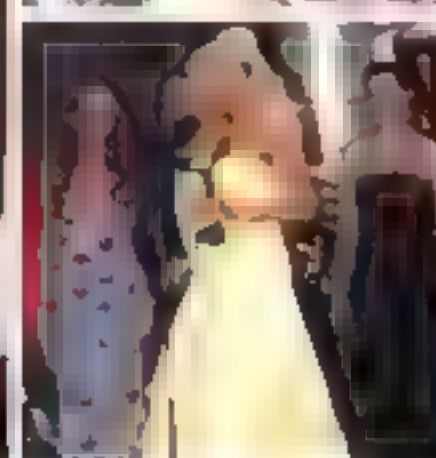

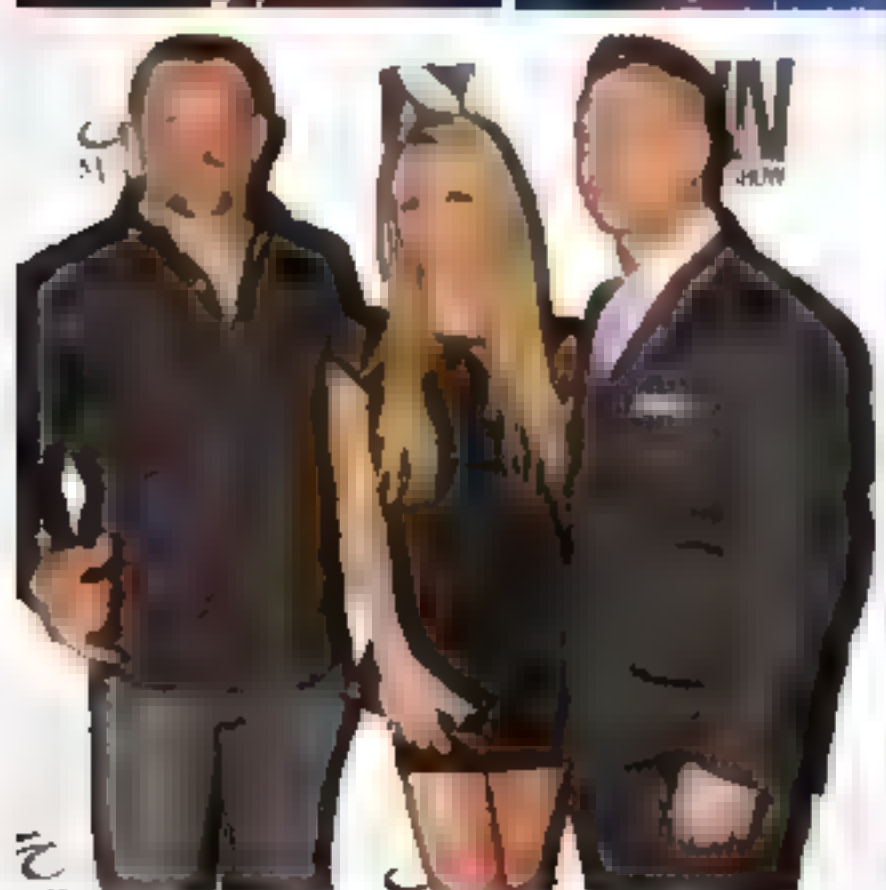

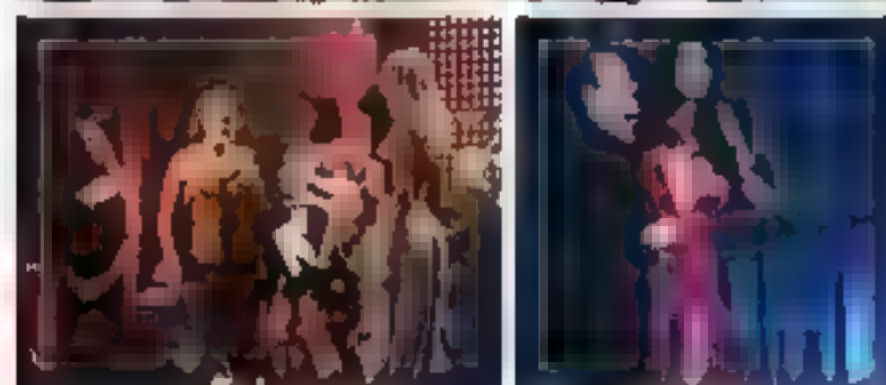

PHOTOS BY BOB FERGUSON  
& GLORIA STEEL

CHERI.com 17

got ready for the crazy week and to catch up with everyone. So the next day is press day. I go into makeup and go straight to the booths for a series of interviews. Adella O'Neal, Digital Playground's publicist, has all of us girls booked every 10-15 minutes with interviews. She is the best publicist ever no one can do what she does. Then the girls and I gossip and just have fun at the booths. Stoya wore an insanely hot outfit. It was a latex skirt and electrical tape in the shape of an X crossed over her nipples. Yummy!

This is another thing about the convention—all the girls dress so sexy and hot. They try to look their best this time of year, too, because they know they will be photographed the most when they're meeting all their fans. The next day the show opened up to the fans. People line up around your booth, waiting to take their picture with you or for you to sign autographs. People even bring pictures from previous years of AVN, or from store signings they have seen you at before. These people are diehard fans. I love it! They even have you sign their body part!

After the convention closes, people go to even more parties. I swear, there are several parties every night thrown by different companies. Friday was an even busier day because more people can get off work. I had really long lines, and several interviews to do. Friday night I also hosted a party at JET Nightclub in the Mirage Hotel. It was the Strip Las Vegas magazine two-year anniversary party. I even got their double cover for that issue. We had go-go dancers, and lots of hot porn stars showed up. Adriana Lynn and I got up on the bar and started dancing. You could see up our dresses, and neither of us were wearing panties! Take that Britney Spears! We got girls up to dance with us in booty shorts and cut up wife beaters. It was so much fun.

Saturday was the big day, the day of the awards show. The convention was so packed you could barely walk through, and everyone was excited about the awards show that night. I left the convention early because I had to get ready to host the red carpet for Playboy TV. The red carpet was packed. I interviewed every hot girl there was. Jenna Jameson, Tera Patrick, Stormy Daniels, Kristen Price, and many more hotties that showed up. I interviewed UFC fighters Tito Ortiz and Chuck Liddell. That was so cool. I interviewed Dave Navarro. I had the coolest job. The awards show was fun. Tera Patrick and Greg Rizzimmons did a great job hosting it at the Mandalay Bay Hotel. Then, after the awards show, I hosted a second party at JET. It was the AVN after party, and it was crazy fun. Everyone was there drinking, dancing, and just letting their hair loose after such a hard week. So now AVN has come and gone. It sure was fun, I can't wait until next year. I'm sure it will be here sooner than you know.

See you guys in October!

behind closed doors

# sasha grey

Steven usually spends one weekend a month away from his nagging, fat wife to hook up with his skanky college fuck toy, Sasha Grey. He set Sasha up with her own place, which is decorated in kinky décor exactly the way Steven and Sasha like it. Steven's wife is too wrinkly, too hairy, and too busy with the kids to let Steven fuck her. He doesn't care, he's getting it on with a fresh, hot, sex-crazed college coed. When Steven shows up, Sasha is ready to let him totally dominate her. Steven loves feeling in control, and Sasha loves being teased and pleased before he shoves his cock in her tight teen twat. Steven's wife would never let him do this to her. Steven starts banging away at Sasha, until he blasts his creamy hot load all over her pretty young face. Sasha wipes the splooge away with the back of her hand. "That was good, bitch. Now get on your hands and knees, and beg me for more of this 19-year-old pussy," she says. "And don't forget Steven, if you don't ask me properly, your wife's cell number is number one on my speed dial, you cheating piece of shit!"

CHERRY 32 YEARS

# ava rose & roxy deville

Porn star Ava Rose has an appointment for a day of beauty at her favorite spa. Roxy Deville, the horny massage therapist, switched shifts so she could "rub down" Ava. "Where's Inga, my Swedish therapist?" asks Ava. "She called in sick," says Roxy. "I'll be fucking you...I mean, massaging you today. Take off all your clothes so I can rub baby oil on you. You smell so good, and your skin feels so soft. Whoops, I spilled some oil on your pussy. I'll rub you down there, and make you feel good all over. That's it, take it. I'm gonna shove this glass cock in you and make you squirt your pussy juices all over me. Now, make me feel good. Ram your tongue in my snatch. Yeah, that's it, lap it up, swallow my cum." Ava is certainly getting her money's worth. Her regular therapist would only rub her down with her enormous, flabby arms. Roxy is more gentle, and definitely more into her job. When it's over, Ava pays and schedules another session for tomorrow. She can't wait for her next "happy ending" with Roxy! e

**EXCLUSIVE INTERVIEW**

# AMY FISHER

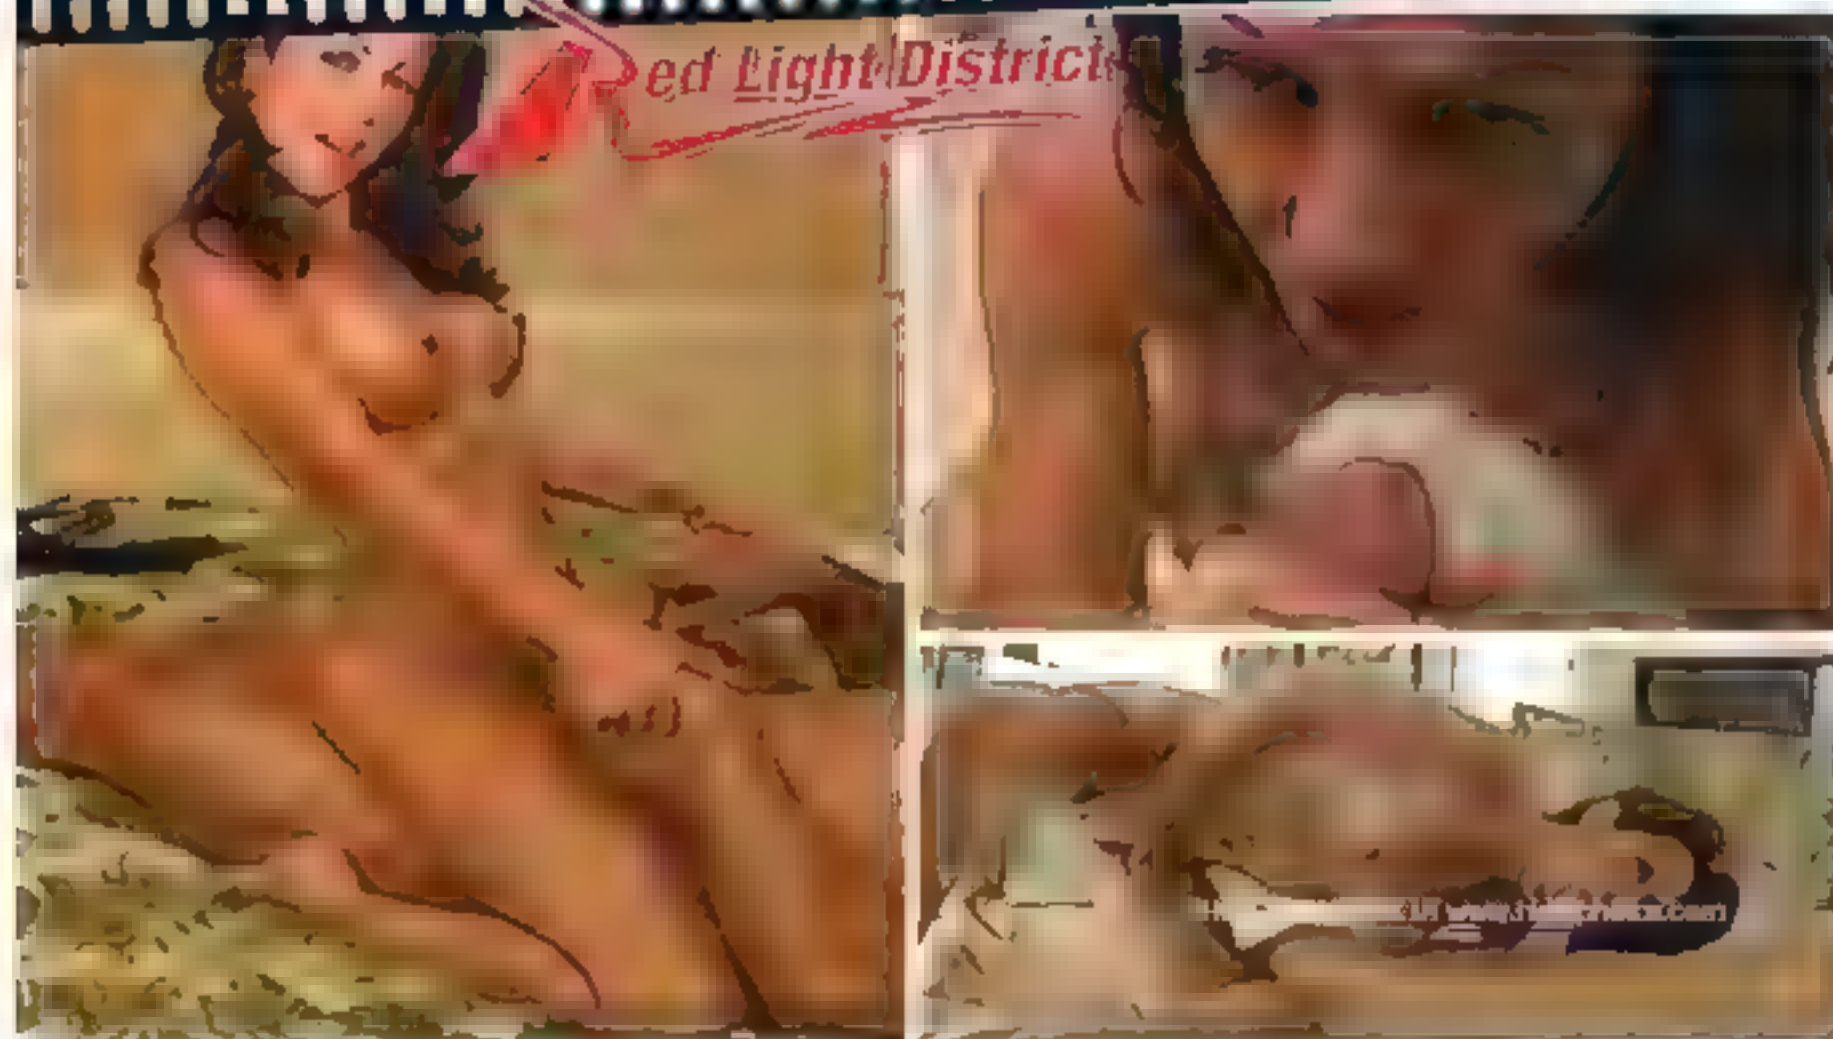

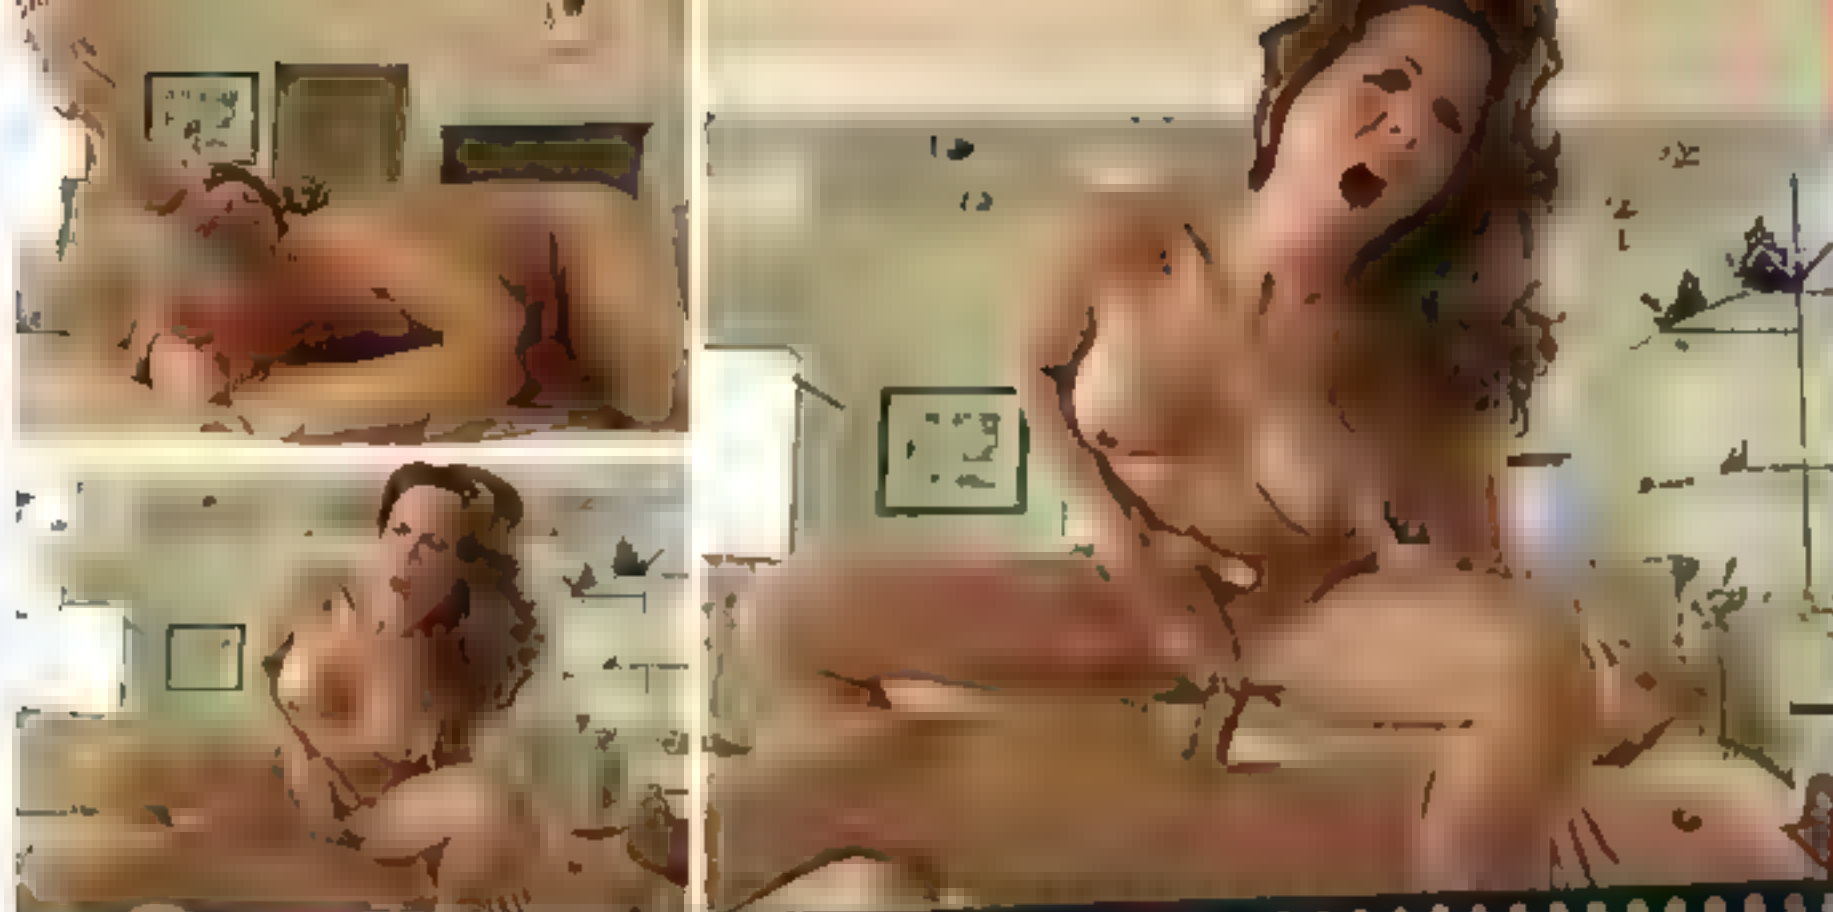

**CELEBRITY SEX TAPE QUEEN!**

Interview by Rob Perez

New York, NY—Before 24-hour news networks, the internet, and reality television, Amy Fisher captured the nation's interest by being dubbed "The Long Island Lolita." In case you forgot, or don't know the story, Google her name and you'll find over 934,000 sites devoted to Amy and the crime she committed. Since then, Amy served seven years in prison for aggravated assault, became an award winning writer, reconciled with the woman she almost killed, and unwillingly became the star of her own celebrity sex tape, *Amy Fisher Caught On Tape*, from Red Light District. Although Amy will never again know what it's like to be anonymous, she's become as infamous again today as she did back in 1992. Since the tape has surfaced, Amy admits that nothing good has come from it; however, she did settle with Red Light and has no problem with guys checking her out and seeing her as an older sex symbol. "It doesn't bother me," says Amy. "I know that look good and people are really nice about it." At 33, Amy says, "Better old than dead."

**So why are you choosing to discuss the DVD now? Why not? Why not?**

**Do you know what the sales for it are at the moment? Do you know how well it's doing?**  
I have no idea. I settled with them (Red Light District) and I had a flat pay out. I'm not privy to that information. They don't give it to me. I know out of curiosity, I've checked out web sites where you can buy adult DVDs and I'm on every homepage...I'm, like, the top best seller, so that gives me an idea of what's going on out there. I just go on out of curiosity, just for a barometer and to see how people are reacting to it.

**How was your experience at the Adult Entertainment Expo?**  
I loved it. I was a little over-dressed but I loved it.

**You think it'd be something you'd want to do again? The AVN show? Sure, I'm going to go back next year.**

**For Red Light?**  
No, just to go. I'm sure by then I'll be a representative of somebody else. I've had a lot of offers in the adult industry, and the adult industry does a lot more than porn. Things like endorsements, hosting shows and products. You don't have to be a porn star to be involved in the adult industry. It's fascinating actually I'm having a good time. Something that I thought would be horrifying turned out to be the most fun thing ever.

**What did you think of the adult industry before the whole thing ever happened?**  
I never really thought about it one way or the other.

**Did you ever watch porn?**  
No. I've got two kids, I don't get past Sponge Bob.

**What were the fans like? Were they cool?**  
Yeah. People were walking up to me—and even people who didn't know who I was or didn't like me before—I mean I've actually had men at this show say to me, "I never liked you before but the video got a great rating so I bought it anyway. And you're hot and, oh my god, I loved the video." Even if they didn't know me or didn't care about me, just the fact that they thought I was hot, that was good enough. I'm like, "Alright. Whatever works."

**Do you have implants?**  
Yeah, I do. In fact I'm getting more implants. I'm not shy about that either. I feel like if you want to have surgery to make yourself feel better, do it. So I went from B's, my natural breast size, to C's, and now I'm getting D's. I told my mother I was having it done, and you know what she said? She said, "You better stop after this or you're going to fall over." (Laughs)

**So when do you plan on getting this done?**  
Next week. They're already bought and paid for. They're just waiting for me. I have a really good sense of humor and I just do what I want to do.

**While at AEE did you meet up with any of the other adult performers? What was your opinion about them?**  
Oh my god, they're great! I love them. All these beautiful women and they could be models, and this is what they choose to do and it's their business. If they're happy, I'm happy.

**What was the most common question you were asked at AEE?**  
I don't think anybody asked me any questions, I think they were just telling me what they thought. But nobody really asked me anything.

**I don't need to sell myself for money. I'm very comfortable with my sexuality.**

**What happened years ago...back in 1992...did anybody ask you about that?**  
No. Nobody gives a crap about that except the media because, I don't know, they think it makes for good headlines. But people, they don't care. Especially at the AEE show. Believe me, that's not what they're focusing on at the AEE show with naked women walking around. I can assure you.

**Did any men flirt with you?**  
I was there as a guest of Red Light District to sign autographs. That's what was required to do there. So no. They waited in line, they got their autographs, and that was it.

**What's been the hardest part about this whole thing?**  
With the sex tape? Just people thinking that, "Oh, there she is, she went and sold a sex tape for money." It bothers me because I'm very comfortable with my sexuality. But I find it comical because for like, 17 years I've been the infamous person, and I've had so many offers for like porn and sex, and posing nude in magazines, it's ridiculous. I've turned everything down for years. And then my husband goes and does this and it's like, "See, she sold a sex tape." But they don't understand. I already have money. I don't need to sell myself for money. And I'm very comfortable with my sexuality. And I don't think people like that I'm very

upfront about settling with Red Light District. Instead I should be sitting there, lying and saying, "Oh no, it's so awful," like the rest of these stars do. Which is total BS because they all settled.

**Have you ever seen any of the other celebrity sex tapes and what did you think of them?**

Yes. I'm the best!

**Performance-wise, the way it was captured on film, is that what you mean?**

And I looked the best! But I didn't need to say that because every review on the Internet, they're categorizing the celebrity sex tapes, and everybody says it's the best!

**What do you think about Joey Buttafuoco's sex tape?**

Do you plan on watching it?

I haven't thought about it. I've already seen him naked. I don't need to see it on a tape.

**I'm getting more implants. I'm not shy about that. I do it for me.**

**What's been the best thing about this whole experience?**

The best thing? I don't know if there is really a best thing. I don't think there really is a good thing about it. Let's see, it practically destroyed my marriage...I bring my sons to school and everybody's, like, staring at me. No, I don't think there's really a best thing.

**Do you get more stares now than before or is it the same amount?**

No, it's actually been awful because I spent so many years trying to take the higher road and put my life together. We're all basically—as human beings—universally the same. But I put on that whole front of trying to be Miss Perfect Citizen. So this, forget it! It just threw me back 17 years. So all that work of climbing up that mountain of success, it's like, forget it. It knocked that whole mountain down. So it hasn't been easy. I put on a very brave front about it. I've taken a stance of basically I can do whatever I want, and I don't care about the world. But believe me, it's been a blow.

**What would you do to be anonymous?**

I don't know. It's not a realistic thought. I try to stay in realism.

**Being that you are in a sex tape, and guys are checking you out, how does it feel being a sex symbol?**

You know what, it doesn't bother me. I know that I look good and people are really nice about it. It's not like it's something that's out there that's traumatizing our children. Literally, you can't even get it on television. You have to go on the Internet, be over 18, seek it out. So if somebody is seeking it out, and wants to look at me and thinks I'm hot, cool, I have little children and I get upset when I see things on television, like on prime time and it's not appropriate. So I would never participate in anything like that.

**Was videotaping your sex something you did on a regular basis?**

Yeah, that's what made this tape so good. People are so interested in watching it because—this is feedback from people that watch these sort of things—these celebrity tapes are usually just some quick, blurry thing done with a camcorder in a room. My husband (tape co-star Lou Bellera) is a video producer, so this is taped footage that was put together over a two-year period. So it was home movies as opposed to some guy sitting in a closet with a camcorder. So the quality was good. It was clear and it was more like a professional film.

**After watching the tape, I got the hint that you like being naked. Is that true?**

I like being naked. Don't you like being naked?

**I liked seeing you naked. You looked good.**

Thank! You know, I'm very comfortable with myself. I think everybody should be comfortable with themselves. You live once, just enjoy your life.

**No more sex tapes after this one though, right?**

No, it's funny because my husband sold to the distributor about two thousand hours of this footage. They cut it together and put together the scenes that they wanted out of the footage. But they have so much footage, but part of my settlement with them is that I have to agree to let any of the rest of it out there. They have the footage but I have to sign off if they ever want to do a sequel. I have to sign off on it. And it has to be negotiated, so they just can't go and do it. They have to come to me first this time as opposed to coming to me second. This tape, they were cute. They looked it out to test the waters with me, to see what would happen.

**But it's likely that you won't sign off on a sequel.**

Probably not...not at this point. ☺

# LETHAL HARDCORE'S MULTIPLE CHICKS ON ONE DICK #4

EVERY GUY'S FANTASY!

If there is a Fantasy-O-Meter in some smoky backroom in Porn Valley, it certainly registers the two girls and a guy fantasy as high as any. What man wouldn't want a pair of smoking hot dolls begging him to fuck them? That man would be no man at all. That makes the premise of the *Multiple Chicks on One Dick* series very simple to explain: Four scenes, each with one guy banging a pair of sexy broads. It's simple, it's proven and it's scorching. And with a cast like this, you'll be hard-pressed to take your eyes off the action. That's not the only thing that will be hard.

#### **RUBY RYDER & REENA RY**

Ruby and Reena are strutting around the backyard wearing nothing but skimpy bras and panties. Soon the girls get the bright idea to peel off each other's intimates, and that's when things get hot.

They explore with fingers, tongues and mouths, licking and sucking their various hotspots. It's wonderful, no doubt, but they hunger for something more, something, hard. Not surprisingly, it's not difficult for two beautiful ladies to find a willing guy.

His cock is massive and the girls find it easy to share as they suck him off. By the time they're done guilping, his tool sports a lifetime supply of lube, so when he sticks it in Ruby, it's an easy slide. Reena daddies her clit while he gives her a two-finger prep. Then he switches, vigorously pumping Reena as Ruby handles herself before seeing an opening and planting her shaved snatch right over Reena's mouth. It's a race to finish line, with Ruby cumming first, followed closely by Reena.

The first is not the last as the cock plows each hole with abandon until it's cream time, and the girls prove they can share that, too. Each gets a plop of the white stuff in her mouth and more on her face, then they snowball the jizz from mouth to mouth. True romance.

#### **MARINA MAYWOOD & BARBIE ADDISON**

Barbie is bleach-blonde, with a pussy so puffy it must be seen to be believed. Marina sports darker hair and gets to play teacher: Barbie has only been with one other girl and is still learning the ropes.

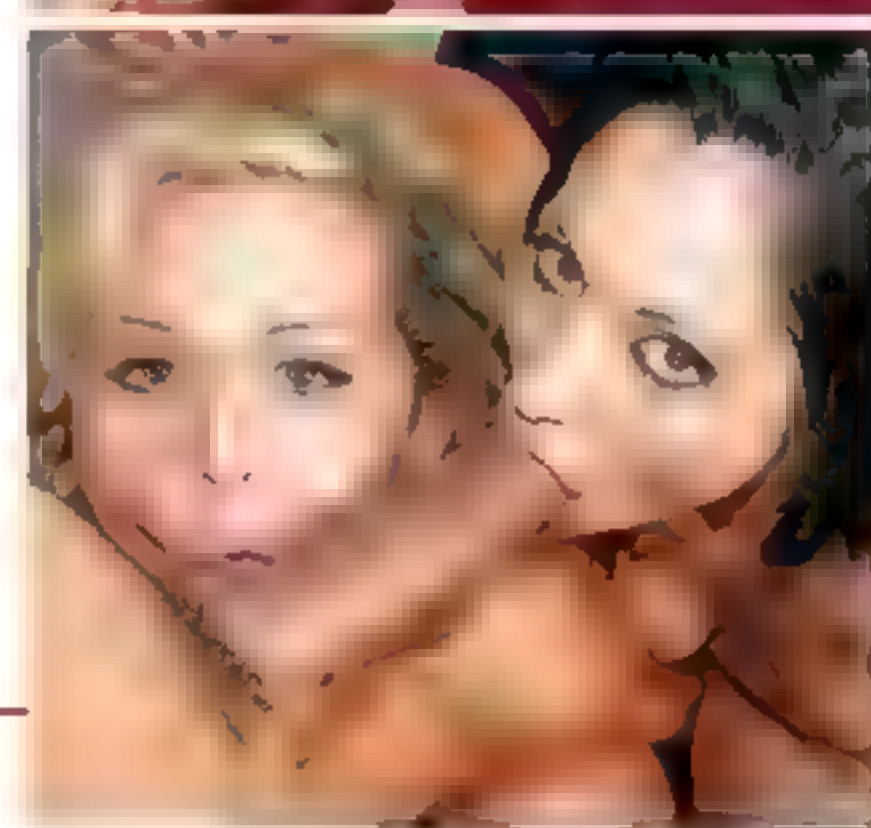

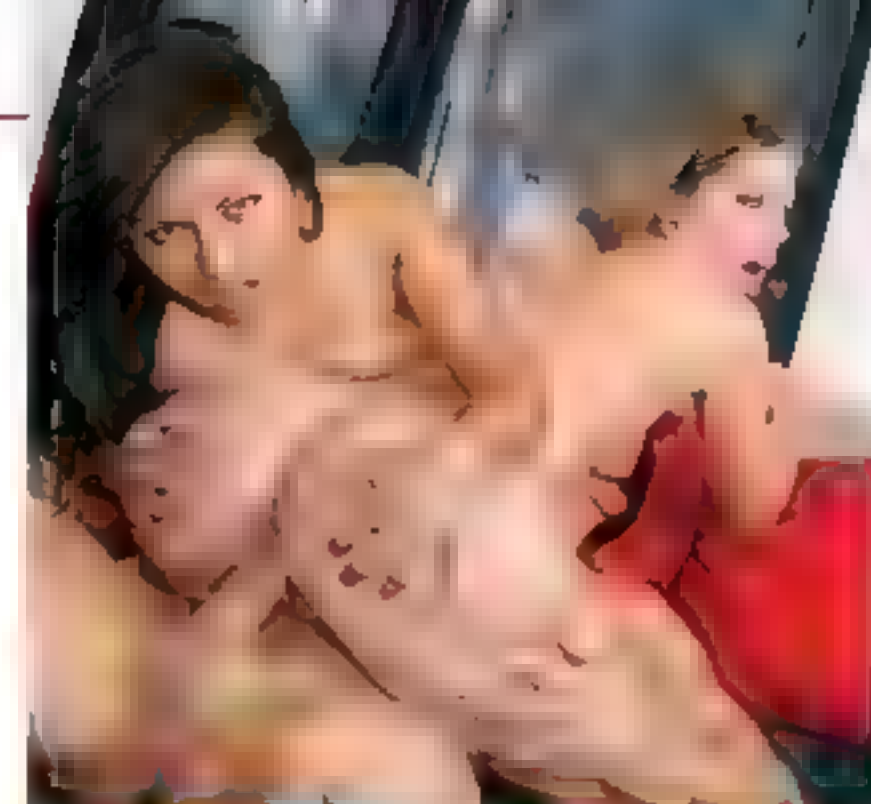

The girls set out to exploring, but before things get too heavy, in pops a cat with a hard-on and the gals can't help but put their mouths on it as they fondle each other. But it's the cock-in-cooch that really gets the gals fired up. Marina is first, taking a slow reverse cowgirl while moaning for the camera as her galpal spreads her legs and hovers over the guy's face. Marina's protruding snatch flaps catch and release his dong as it eases in and out, then she turns around for a cowgirl, allowing her to rim Barbie as she gets fucked.

Barbie obviously took notes, because as she takes her time riding the pink hog, her hands and tongue are all over Barbie. Meanwhile her fat puss appears to mold itself around his cock as he pumps. It's a sight Marina loves to watch, and her face is smack in the action when he pulls out and plops his protein pop square on her pretty face and, at least for a moment, this pretty girl's world is absolutely perfect.

#### **LANA VIRLEY & ALISA HENSON**

Lana has never been in a threesome before; in fact she's never been "all the way" with a girl before. That makes this a scene the Asian-inspired cutie will never forget.

They French and suck each other's titties, and next thing you know, mouths meet pussies. Toys are conveniently on hand and each works some vibrating

action on each other's gilly holes. They would have gone on all day if it weren't for the introduction of a big dick. Lana gets it from behind first and she is obviously stunned by its size, bracing herself on the floor and moaning wildly as the thick rod pounds her. "How's that cock feel?" Alexa asks her as she rides a rabbit. "It feels good!" she hollers. "It's so fucking big!"

Alexa wants her turn, too, and after they both suck him off, she climbs up to ride, bouncing up and down as Lana spreads her ass and pussy open wide and puts a vibrator on her asshole. It's all Alexa needs and she's cumming loudly all over his dong. Then the guy stacks them, screwing one and then the other and then the other.

If that doesn't get a man off nothing will, and he sprays white stripes all over Alexa's face and Lana eagerly licks it off her before the girls combine forces to clean off his cock. Good to the last drop!

#### **MYLE HENNE & RACHEL SULANI**

Kyle can't stop talking about Rachel's big titles—well, except when she's stuffing them into her mouth. Rachel gets her yapper going, too, and not just on her friend's boobies. Snatches are licked lovingly, though both birds make it clear that they are very much looking forward to cock. They don't have to wait for long.

While they don't fight over the prick, there is a hint of jealousy when one is without for too long, and too long for these ladies is about three seconds. It's easier when the pummeling begins, because that means the girl not being fucked can still have her face right there in the action. Rachel gets rammed first, big ass jiggling as the guy drills her deep. Kyle makes the most of it, fingering her own cunt while licking, sucking and spitting on the penetration in front of her.

When Kyle does finally get the guy, she goes nuts, screaming loud and she grabs her flesh and pulls it clear so he can get it in deep. Rachel falls dirty to them while doing speedy 360s on her own twat. "Fuck me!" Kyle screams. "Bury that big fuckin' dick deep inside me!"

The guy pulls the old switcheroo, banging back and forth, until he gets his rocks off, unleashing his sticky stream of hot jizz on both the lovelies' mugs. They kiss, swap spit and cum, giggle and wave goodbye. All we can do is hope we'll see them again soon. Thanks to the miracle of the DVD, we certainly will.

Lela Star

PHOTOS BY JOSH RYAN [www.josh-ryan.com](http://www.josh-ryan.com)

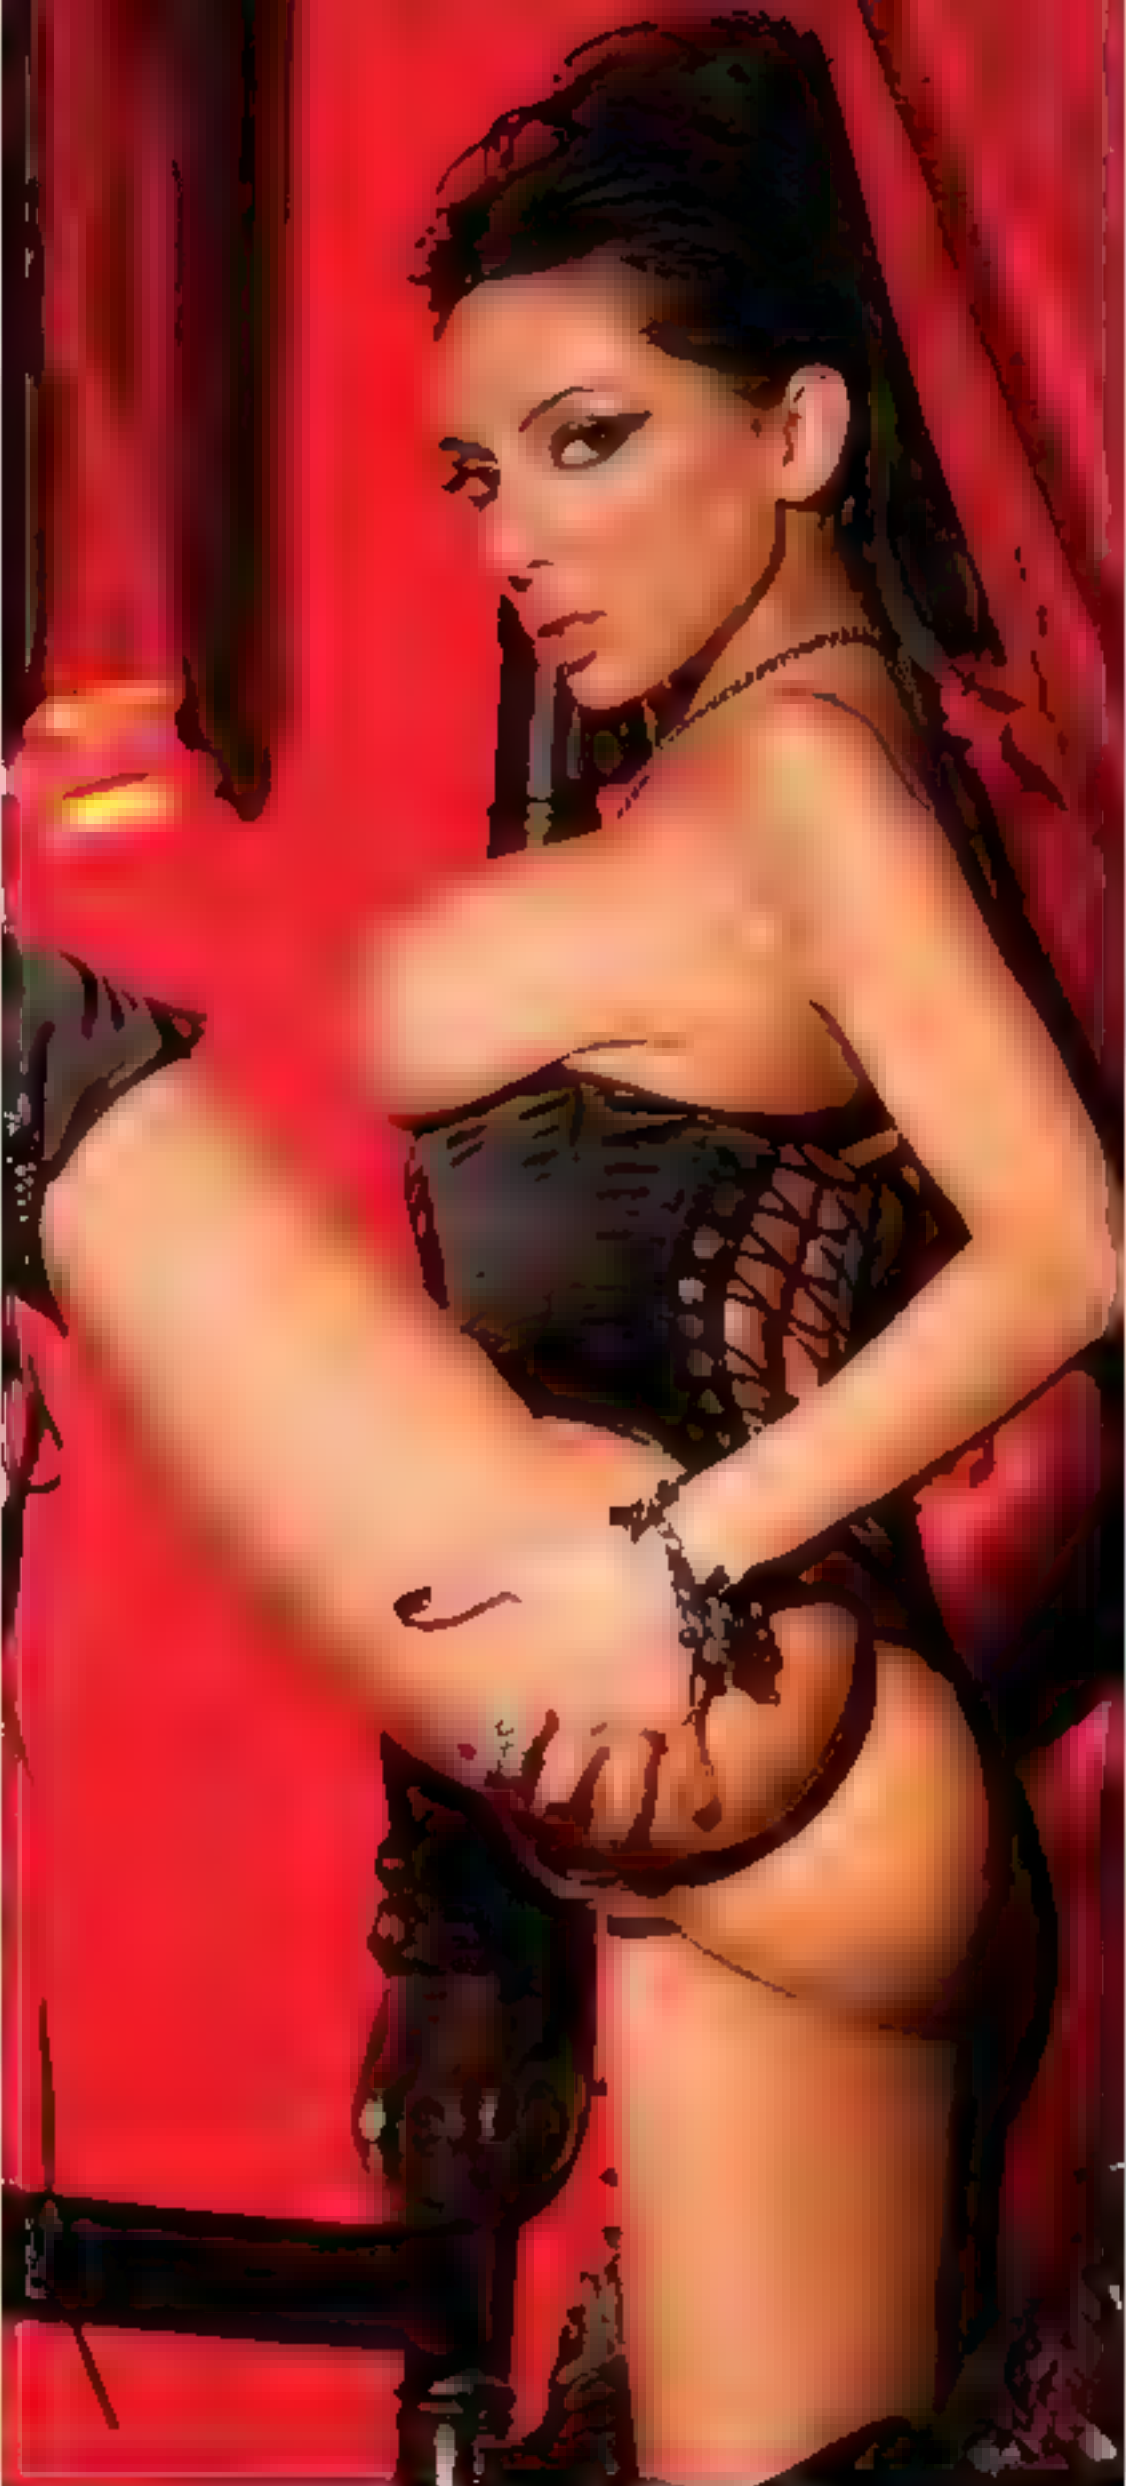

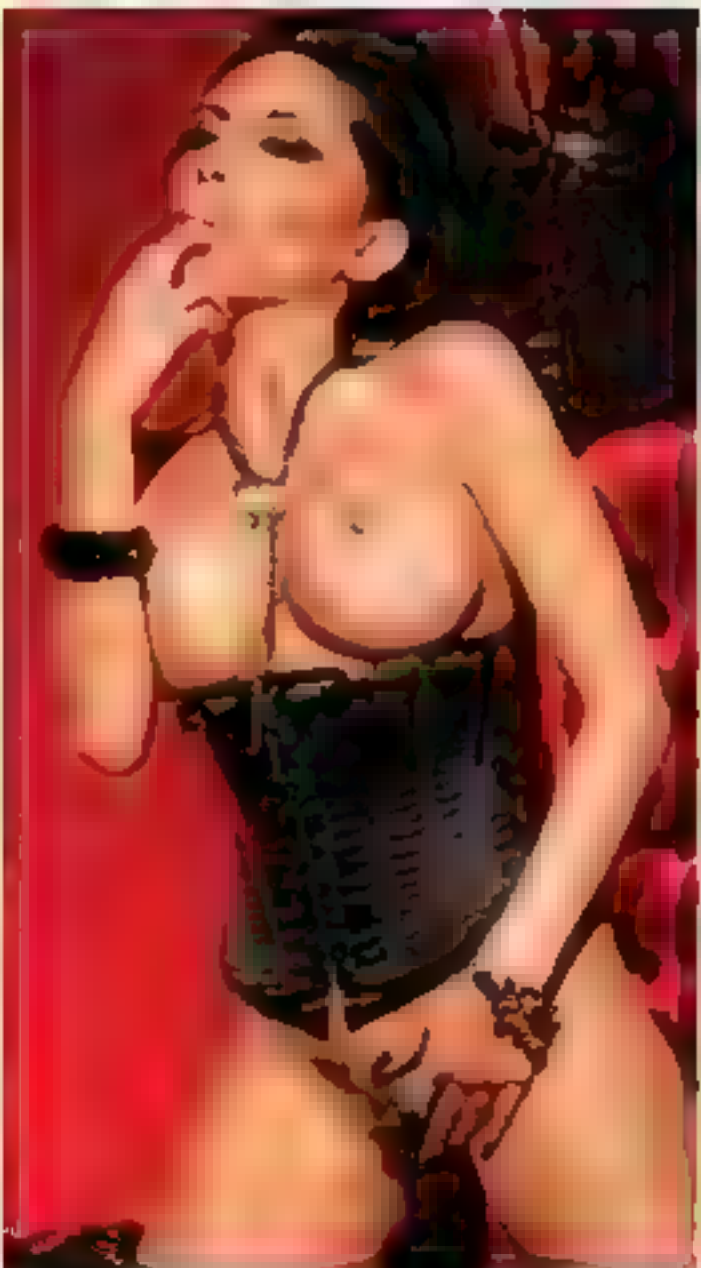

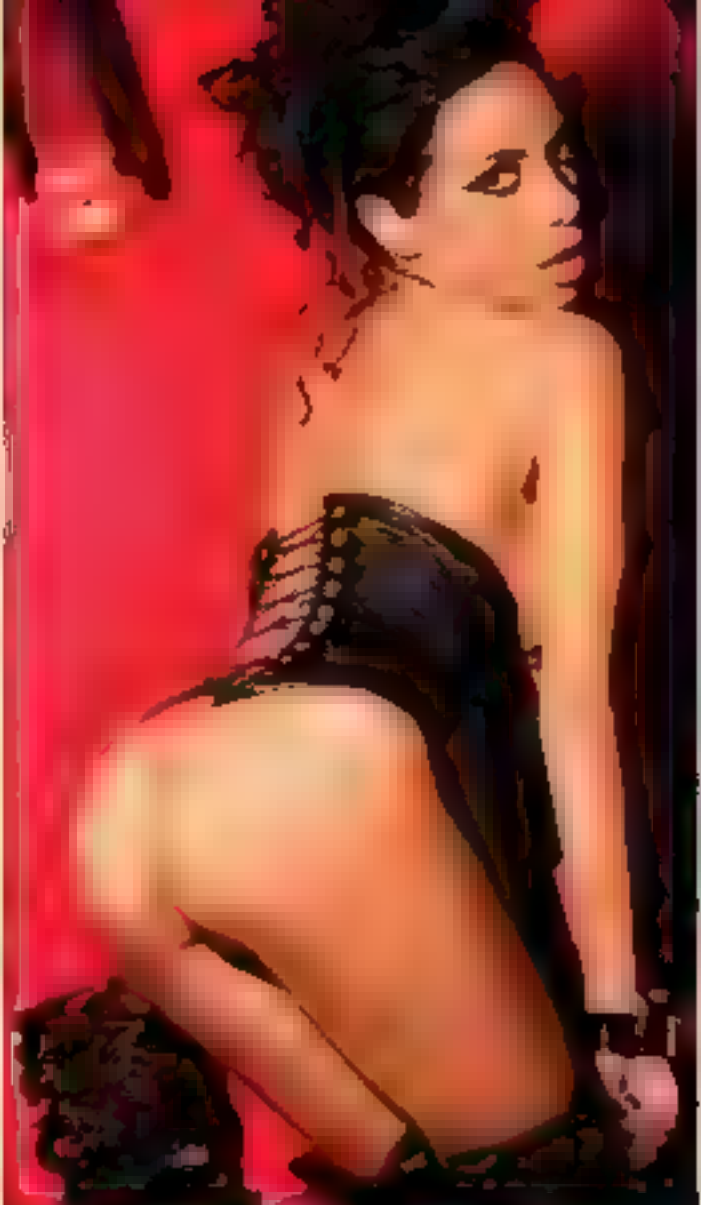

**W**e know Lela Star is sweet, and we don't just mean her body. She's one of porn's sweetest babes, but in the bedroom, lookout Lela turns into one kinky bitch! "I love fetish clothing. I also have many fetishes, including foot worshipping, tickling, leather, and occasionally a little BDSM." That's not what we hear, Lela. "Hehe. OK, OK, I love being submissive, but I can be a dom, too. Lots of guys have totally succumbed to my many demands. I can be a cunt, especially when guys don't properly worship me. I tease them, play with their cocks, rub my tits all over their backs, and bend down in front of them so their hard one can brush up and down my ass. Little do they know, that's exactly what gets me excited. But it's so much fun getting the guys warmed up before I let them fuck me. All they have to do is say, 'Please Mistress, let me be inside you,' and I'll think about letting them fuck me." If that's all we have to say, then let us be inside you, Mistress Lela, and leave the fetish gear behind!

**B**en needs his car inspected so he brings it to the shop. But once he lays his eyes on sexy mechanics Lacey Heart and McKenzie Lee, all he can think about is inspecting their twats. McKenzie's got a wide assortment of tools at her disposal, but she wants Ben's fleshy wand. He whips it out, and McKenzie and Lacey take turns gagging on his meat until both their eyes begin to tear up. The waiter his cock the better since their pussies are too tight to fit Ben in without lube. These gear heads test drive Ben's meat and practice the finer points of "driving a stick." Whatever Ben wants, these babes deliver. They get on all fours, get on their backs, eat each other out - anything at all to satisfy their new favorite customer. Ben wants to cum and shoots a big blast all over their faces. Time to go... he's got to get his Benz to the car wash. Lacey and McKenzie left as imprints all over the hood! ☺

## GET ON THE FLOOR

The floor of the 2006 Adult Entertainment Expo was buzzing. The annual "porno convention" brought a huge crowd of porn stars and the people who love them to Las Vegas this year. Just inside the door to the Sands Expo center was the Red Light District booth—you're not even two feet in the door and you're getting an eyeful of Alexis Texas, Michelle Maylene and Audrey Bitoni. Wander in a little further and you'll find big tit Gianna shaking her ample bottom by the Evil Angel booth, and Casey Parker looking like a stuffy surfer gal by the Shane's World bus. The Bang Bros. brought the casino games (blackjack, craps and a Wheel of Fortune) all manned (or womanned) by scantily clad hotties. Arrow Productions brought a mechanical bull with a dildo sticking out of the saddle. Lots of girls enjoyed the ride.

Stand in the middle of the expo floor and turn around: you are surrounded by the biggest names in adult entertainment, all dressed out in their sulkiest, most revealing attire. One notable exception was the mysterious [AbbyWinters.com](http://AbbyWinters.com) booth. [AbbyWinters.com](http://AbbyWinters.com) took up the same amount of floor space as some of the "premium booths" (Vivid, Wicked, DigitalPlayground, etc.) but instead of the stripper poles and neon lights used by their competition, the [AbbyWinters.com](http://AbbyWinters.com) booth featured putting greens and chess tables. The [AbbyWinters.com](http://AbbyWinters.com) girls were also quite different from their porn peers. These Australian webcam amateurs seemed to travel together in a giggling, giggling flock and they all dressed alike in low-key outfits: one day it was barefoot in white t-shirts and white panties, another it was Dairy Dukes and country girl checkered tops. The [AbbyWinters.com](http://AbbyWinters.com) girls were all cute, though far from flawless—some were a little chunky, others had crooked toes—but that only added to their amateur (read: "obtainable") charm. Still, in a room full of porn stars, the [AbbyWinters.com](http://AbbyWinters.com) girls stood out as "anti-porn stars." Hey, at least they stood out.

## WHAT'S UP WITH JENNA?

That's what everybody at this year's AEE/AVN wanted to know. For starters, Club Jenna was virtually non-existent at this year's adult entertainment expo: they didn't have a booth, they didn't have a display, they didn't even have a poster. And Jenna herself was absent from the expo, appearing only at Saturday night's AVN Awards Show to present the Jenna Jameson Crossover Award. A substantially less curvy Jenna (she had her breast implants removed last August) took the stage amidst warm applause, and quickly launched into a bizarre speech.

"Everybody wants to know, 'What's up with Jenna? What's going on with her company? Why is she so skinny?' " Jenna said. She ignored the "skinny" question but assured the crowd that her Club Jenna company would be "a major force in adult entertainment for many years to come." Then Jenna held her finger aloft "But I have to tell the truth," Jenna said. "I will never spread my legs for the industry again." Her announcement was met with a smattering of boos and a sea of bewildered faces. Why the harsh tone, Jenna? Was she suddenly looking down with derision on the industry that had made her a star? Where's the love, Jenna?

After an awkward pause Jenna announced the nominees for the Jenna Jameson Crossover Award before announcing the winner Stormy Daniels. Stormy saved the day and eased the tension by announcing, "I love you, Jenna, but don't worry guys I'm going to be spreading my legs for a few more years yet!" Thank you, Stormy! Let us rejoice!

## WINNING WAYS

Perennial cockman Manuel Ferrara seemed mystified by his good fortune as he collected his trophy for best couples sex scene with Jenna Haze.

"First I get to fuck Jenna, then I get paid for it. Then you give me this as a way to say 'Thank you'!" He shook his head, bewildered, then held his trophy aloft. "No... thank you!"

"And thank you, Manny, for showing your enormously long cock up my ass," Jenna Haze added.

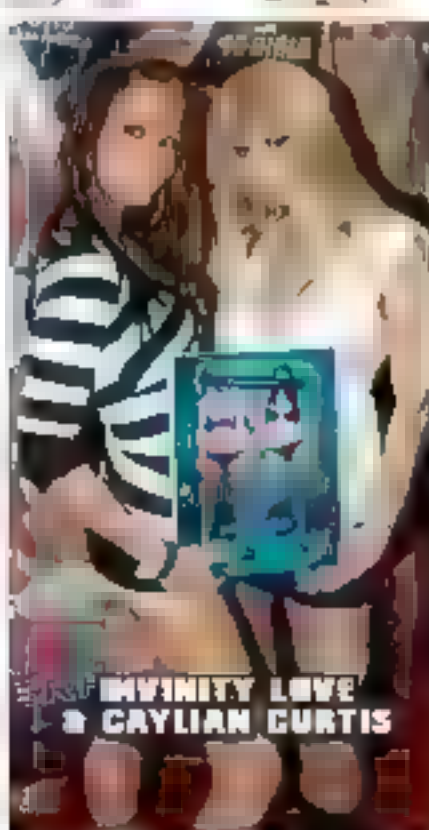

Sasha Grey collected two awards, one for Best Oral Sex Scene (in Digital Playground's *Babysitters*) and another for Female Performer Of The Year. Brainy Sasha flexed her "Grey matter" during her first acceptance speech, encouraging everyone in the industry to "keep learning and growing as people and performers." But her Female Performer of the Year win seemed to catch her by surprise, as did the tears that began to flow once she took the stage for a second time.

"I can't believe I'm crying," Ms. Grey said. She may be an exhibitionist, but she clearly was not used to such overt displays of emotion. "I didn't even cry when I got electrocuted." We're not sure if Sasha's referring to some kinky sex act with a car battery and jumper cables or if she's just got faulty wiring in her home. But, wiping away tears, the usually verbose and eloquent Sasha Grey was nearly rendered speechless. "I just want to thank Belladonna, who has helped me so much," Sasha said before exiting stage left.

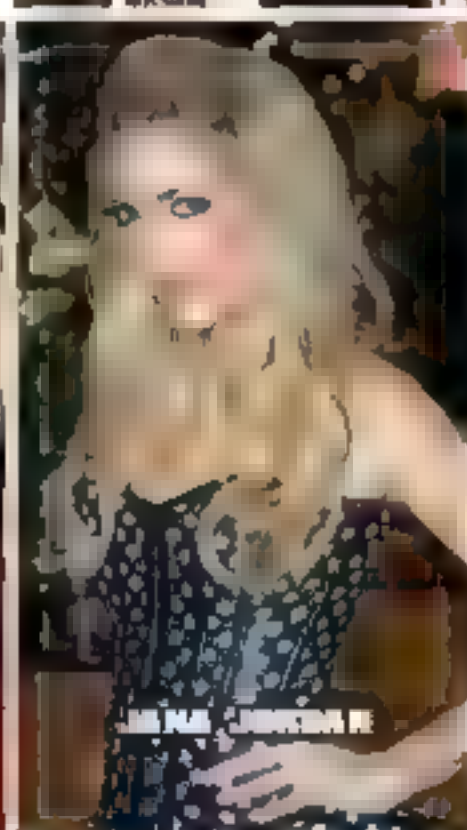

Other highlights included Bree Olson, the tops of her natural breasts jiggling hypnotically as she scurried to the stage to collect her Best New Starlet Trophy ("It took a lot of anal lube to win this!") John Stagliano's backhanded compliment to his wife Karen after winning the Best Director prize ("Every day she tells me I'm no good, and it pushes me to be better") and the actor/director El Cross gushing along with the cast and crew of *Upload* over their Best Video Feature win ("There's no way I thought we could do this two years in a row!" said Cross, who took home the same prize last year for *Corruption*.)

## LEX THE IMPALER 3 ⚡⚡⚡⚡

(Jules Jordan Video)

Starring: Gina Lynn, Jenna Haze, Brianna Love, Alexis Amore, Nadia Styles, Shyla Styles

The Black Bastard is back! Lexington Steele returns to impale his 13 inches into the pussies and asses of these top notch sluts. As with his previous turns as the Impaler, Lexington stretches these pussies to the max, gapes their assholes, and has his cock deep-throated by these black cock craving superwhores. Jenna Haze has one tight pussy...or should we say, had a tight pussy until Lex drilled his rod into her twat, and filled her ass to the rim. Gina Lynn might be the only babe who can handle Lex' meat, getting drilled non-stop until even Lex needs to take a breather. Gina definitely craves dark meat and is more than happy to spread her long, sexy legs for the Bastard. Big butt mega anal slut Brianna Love opens up her backdoor for black cock, and he easily reams that juicy white booty. Tons more hot babes get impaled by the Impaler, followed by loads and loads of hot, cum shooting action is what you'll be jerking your cock to in this Jules Jordan directed classic!

Rob P.

## PERFORMERS OF THE YEAR ⚡⚡⚡⚡

(Elegant Angel)

Starring: Alexis Texas, Eva Angelina, Jenna Haze, Brianna Love, Jada Fire, Sasha Grey, Rebeca Linares

Here we have 2008 Performers of the Year, including teen fuck queen Sasha Grey who beat out each of these sultry, sex-craved beauties to take home the top prize. But each scene shows us why this year's crop of POTY nominees may be the best group of cum junkies ever. Eva Angelina shows us why she's the hottest girl in porn (and this year's Best Actress winner) by getting her asshole stretched to the limit. Alexis Texas shows off her soft, voluptuous body and big white booty. Same with Brianna Love, only her backdoor is open for business, as she takes her usual anal drilling with pure delight. Jada Fire is a real ebony slut with an awesome stacked body that's meant for a hard charging fuck. Plus, Jada's ass officially gets legendary status since we're likely never to see it get plugged again after this film. But with one anal whore hanging it up, we get a new ass queen just coming into her own, and cumming real hard. Sasha Grey only takes it in the ass, giving us built fucking fanatics what we crave most—hot girls spreading their holes, and keeping their mouths shut—except when it's time to swallow hot jizz. That's why these babes truly are performers of the year! — Rob P.

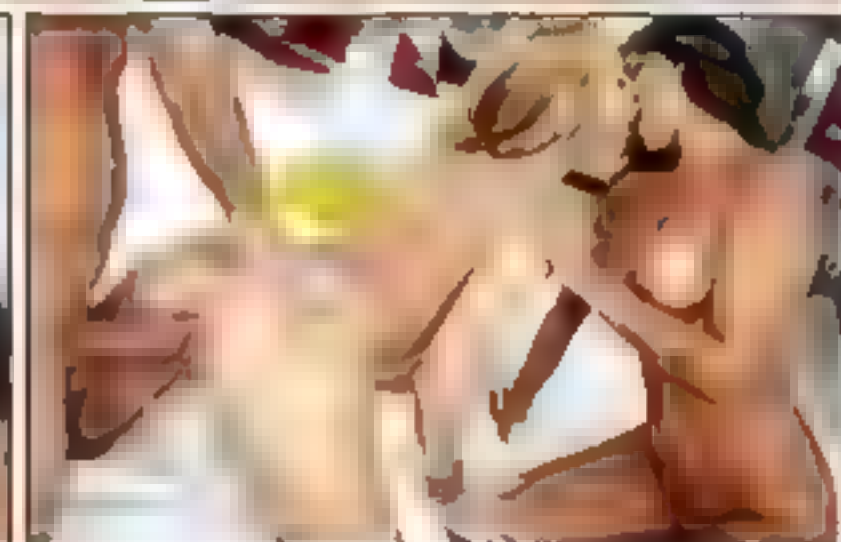

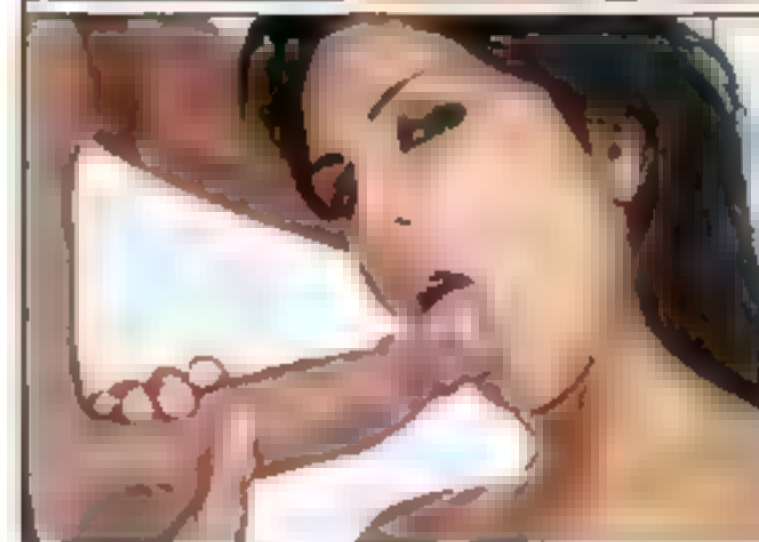

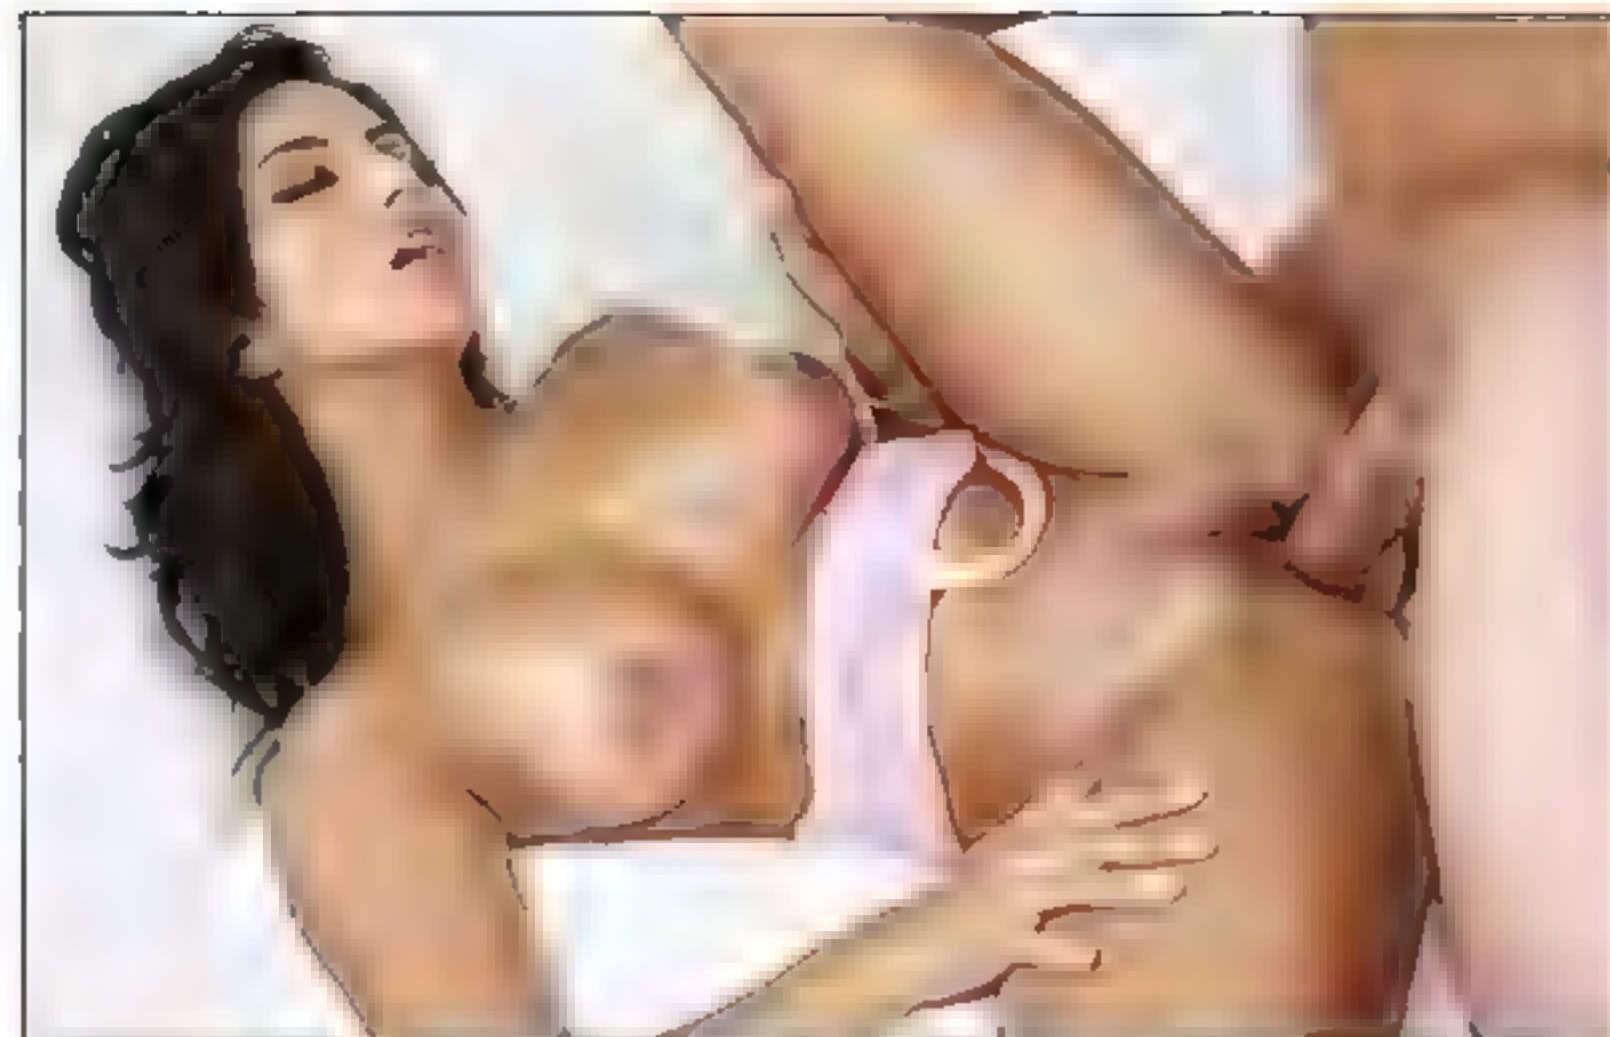

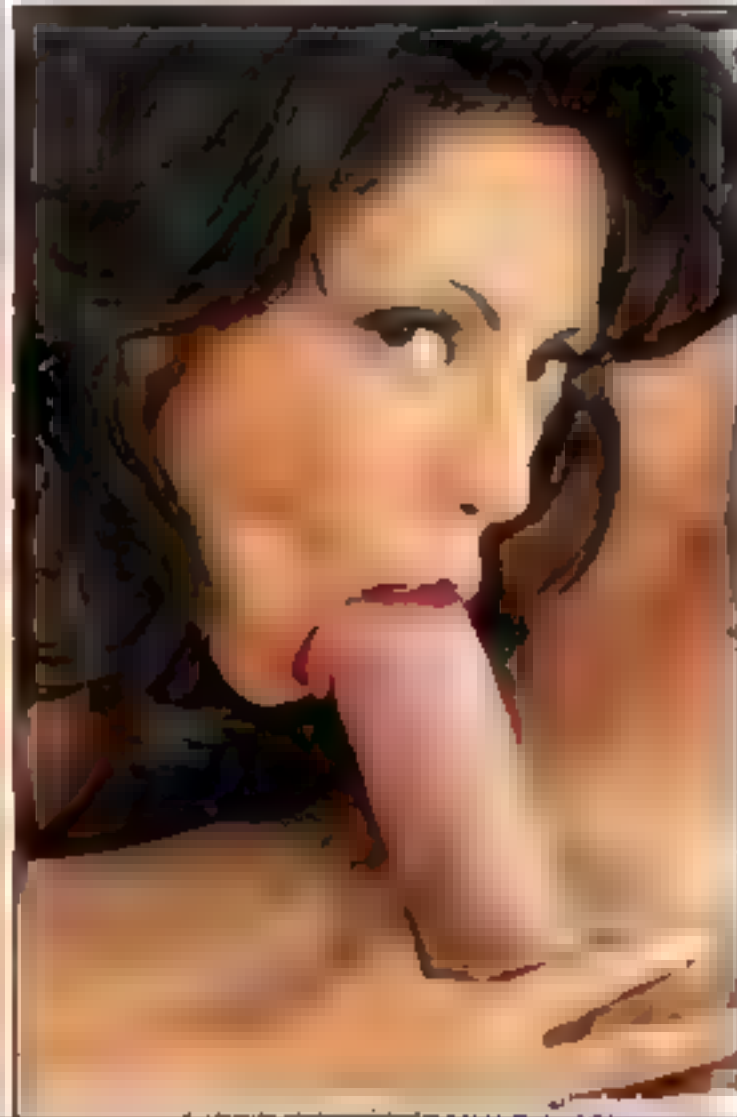

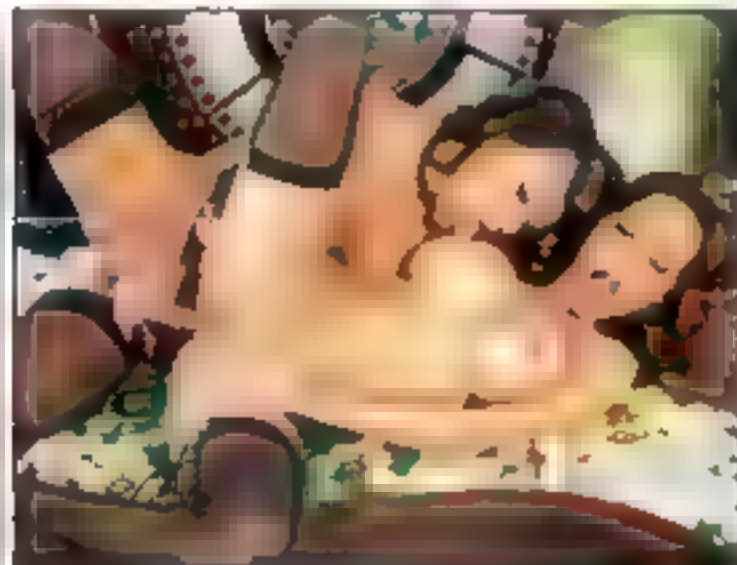

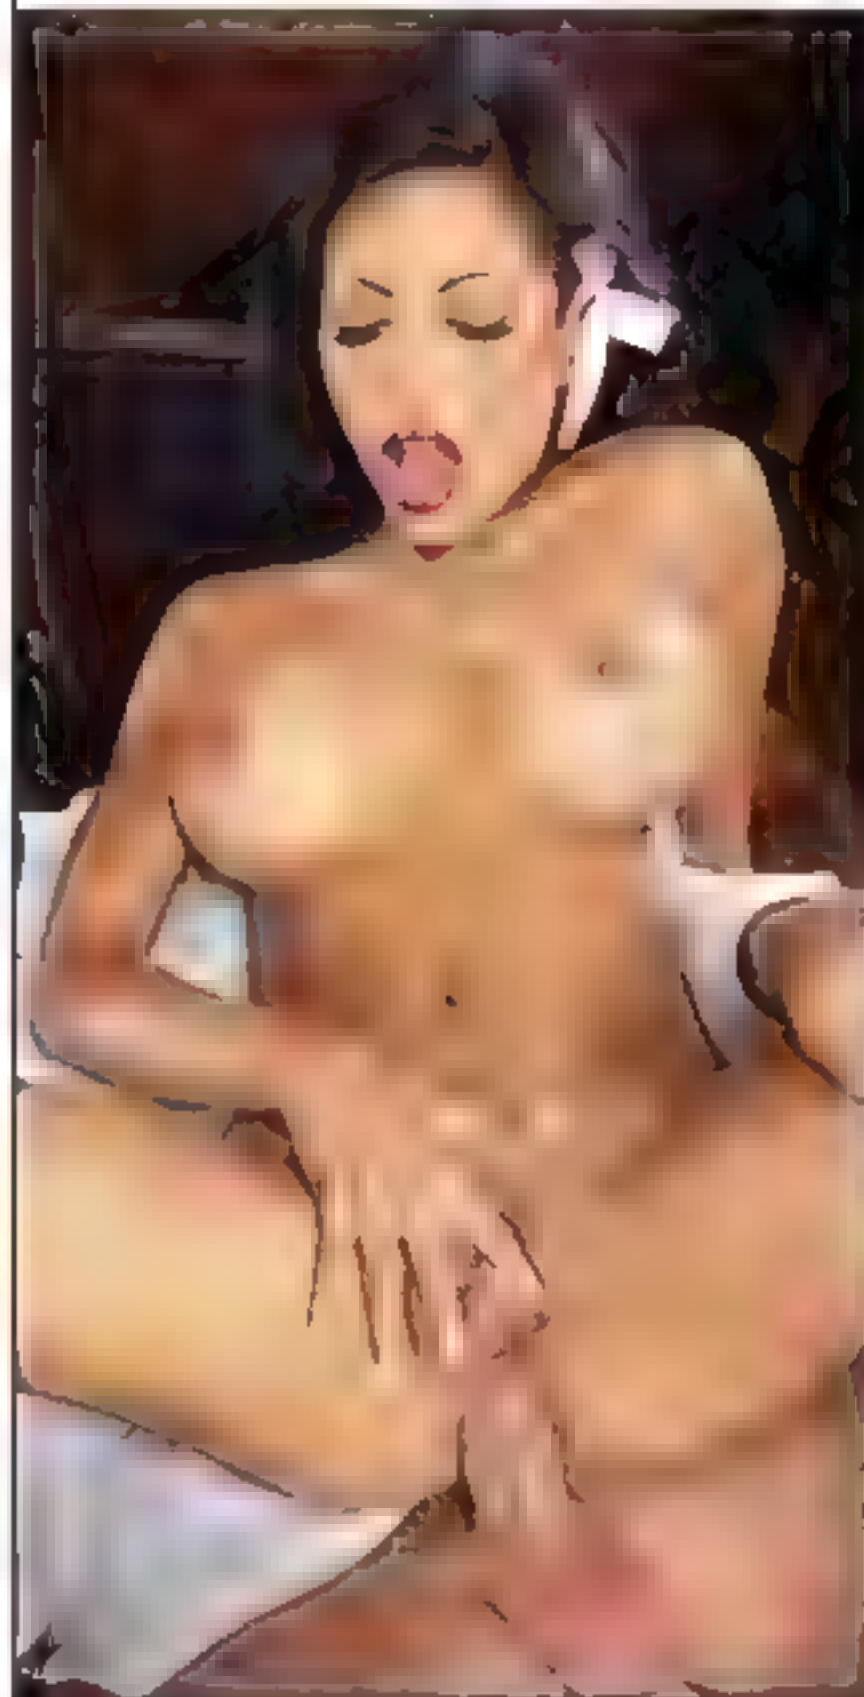

# PIN-UP PERVERSIONS WITH LELA STAR

(Club Jenna)

Starring: Lela Star, Adrianna Nicole, Riley Evans, Mariah Milano.

Lela Star gets her butt blasted for the first time on film in this Club Jenna tribute to vintage era pinup costumes and glamour, combined with the hardest of hardcore gonzo sex. This vignette feature has our favorite little tart getting her pictures taken by sleazeball photographer Charles Dera, who somehow convinces old school Hollywood pinup babe Lela to strip naked and spread her cheeks for his meat. Lucky fuck, his cock becomes the first to poke its way through Lela's backdoor. Hey Lela, let us take your picture and pretend we're Charles Dera! Lela cums back—and we mean really cums—all over busty slut Mariah Milano. Wow, we loved seeing these two pussy lickens eating each other out and grinding their plastic tits all over each other. Oh, that's right. Lela now has an awesome S2D rack that Mariah buries her face in. Plenty more hotties round out this hot and smoking jerkas. No words, no plot, just Lela and her slutty pals getting rammed, plunged, and poked. You're gonna rub it!

— Rob P.

# SUNNY LOVES MATT

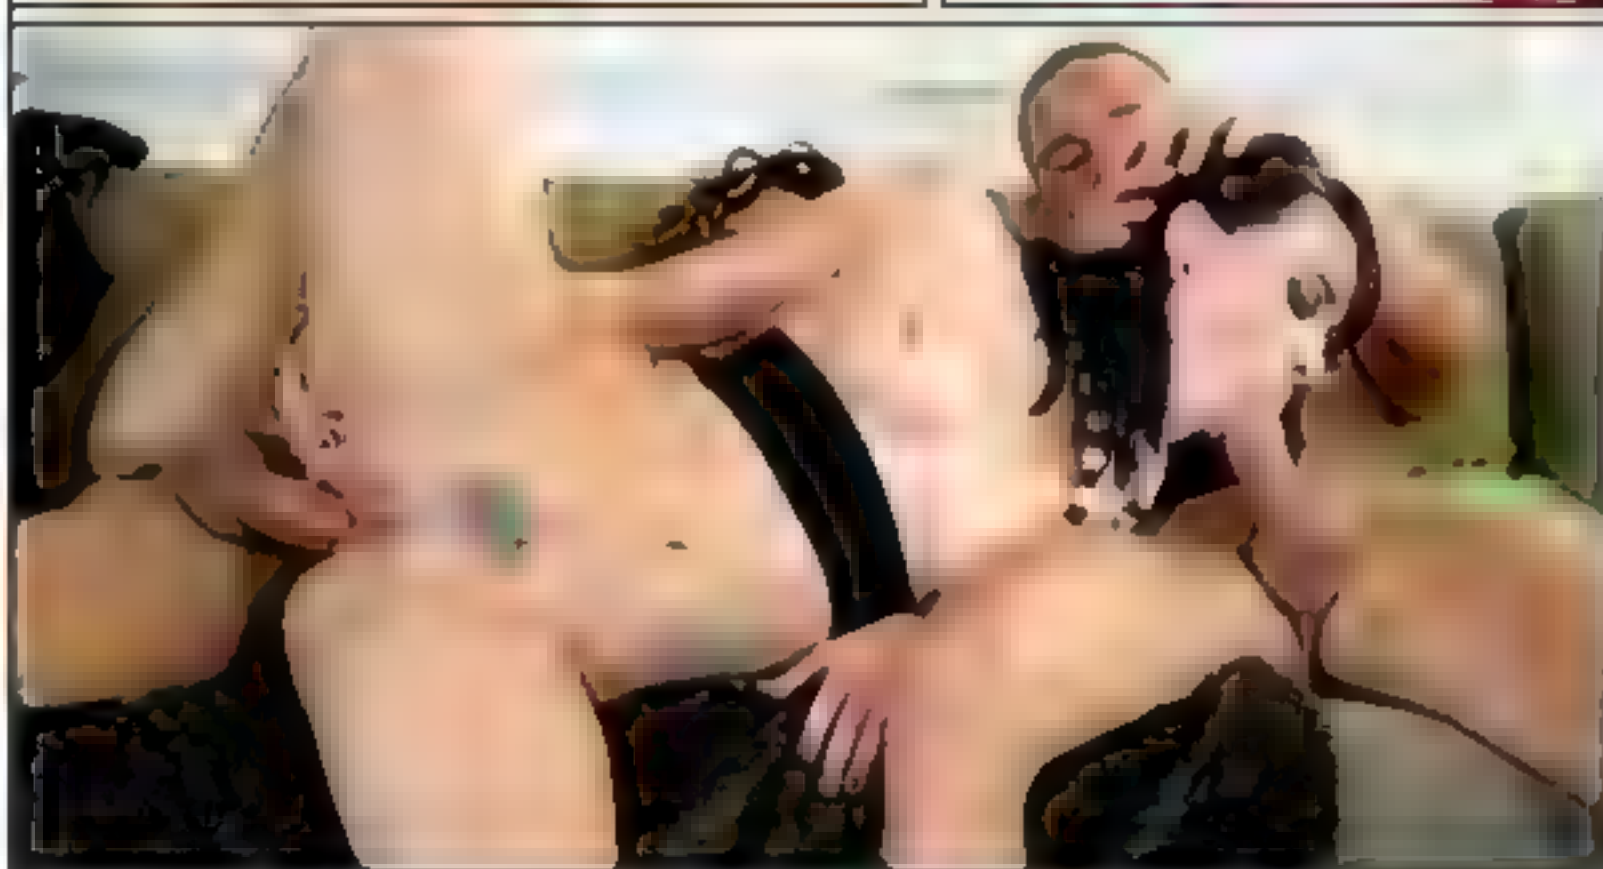

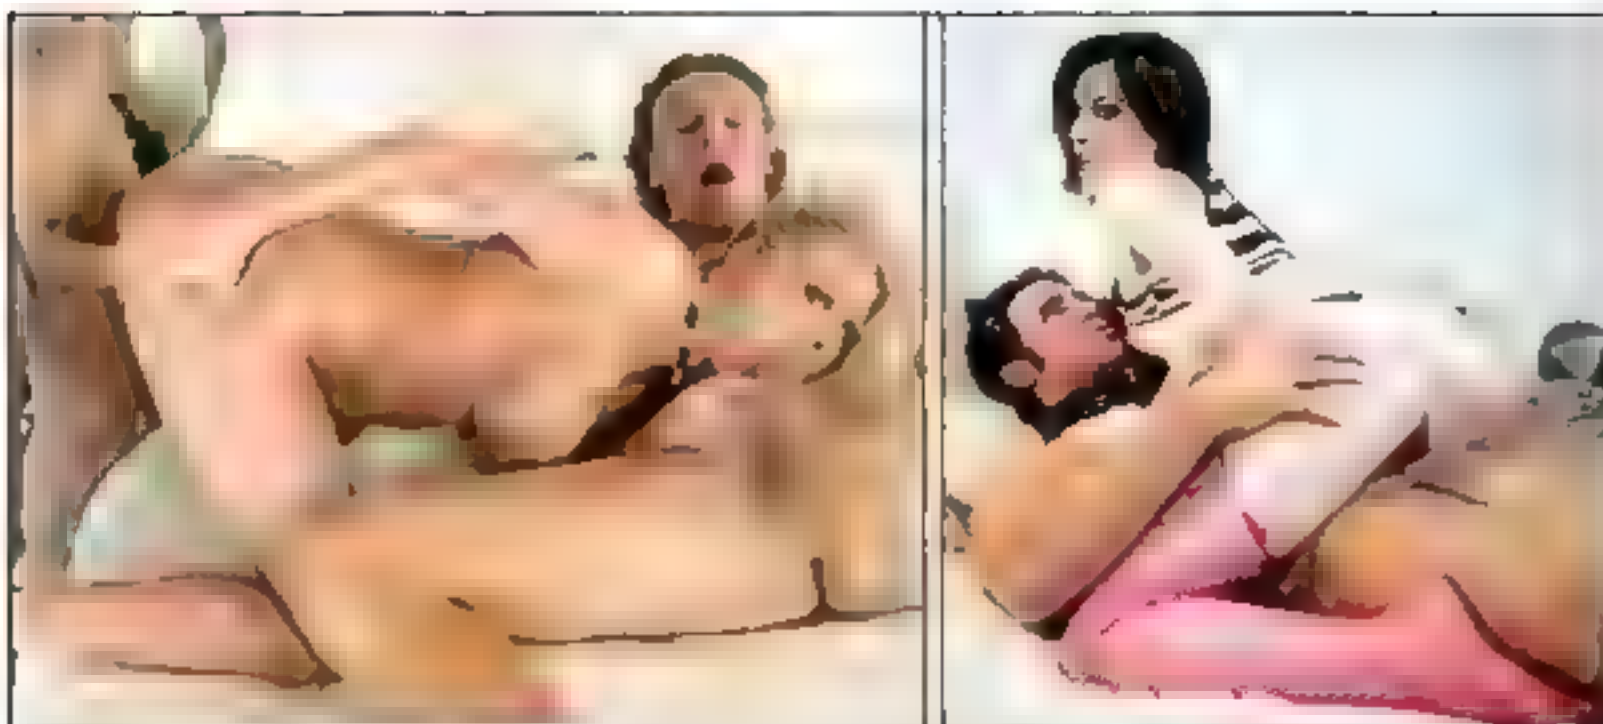

(Vivid)

Starring: Sunny Leone, Monique Alexander, Rebecca Linares, Annmarie, Megan Monroe.

It's Sunny Leone getting drilled with cock for the first time ever! But, also important, it's hot girls getting licked and dicked! We love watching hours of hot wet pussies getting hammered and eaten, especially when they are attached to nymphs like Sunny Leone. In her first coed fuckfest, Sunny sure does an amazing job in this point-of-view film. Sunny has quite the dirty mouth on her. She takes her first dick every way she can and we get a great view of the action. Her pussy gets even wetter when she begins riding. She must have had over four orgasms back to back. Just like me. Rebecca Linares is a screamer, so I loved watching her get her pussy sucked. Nothing is hotter than a woman who is getting fucked so hard she speaks another language! Turn Rebecca over, and she's not one to just sit still and take it, she throws it back. As if my pussy wasn't wet enough, Sunny has another scene with Annmarie where they give us more of what we know they do best: finger fucking and muff diving. I rubbed three out just watching them. Megan Monroe gets her pussy flops played with and then injected. Sunny and Monique have the first and only threesome, which they start off with a double header. They suck dick so good together it made me want one of my own. A film filled with vixens who love to get spit on and can take it for over three hours is my kind of film.

Blanca L.

## STOYA: SEXUAL FREAK 7 **\*\*\*** (Digital Playground)

Starring: Stoya, Franchesca Valentina, Dana DeArmond, Tory Black, Tori Evans

Stoya's latest film has a little too much talking before the legs spread for my taste. But her skin almost glows, which is great for seeing handprints on her ass when she gets spanked. If you're into watching couples with great grinding shots this is your flick. Stoya starts it off with a mild bondage scene followed by freaky Riley Evans, who begins with one dude and ends up with two. She's got impressive face fucking skills. I liked that she was too busy sucking dick and getting fucked to come up with any witty one-liners. Although she didn't take it up the ass, she's got great tits, so I got over that. Franchesca Valentina has a tasty looking hairy muff, and brings in some cuffs and a dildo to use while she gets the longest pounding in the entire film. I was not only impressed her pussy stayed wet, but also that she didn't break! Dana DeArmond opens her holes for the DVD's second threesome, and we get to watch her ass get eaten. She's the only broad that gets fucked in the ass, and has the only DP scene. Nice! Tori Black gets screwed by a brotha, and is hands down the best suckstress. Stoya cums back in the final scene and she pays her man to fuck her. All the girls are smiling and laughing, giving us the impression they love what they do. Another film that you can use to get your chick into porn, since each broad looks "normal" and they are paired well.

# HOTTEST SEX SHOTS OF 2008

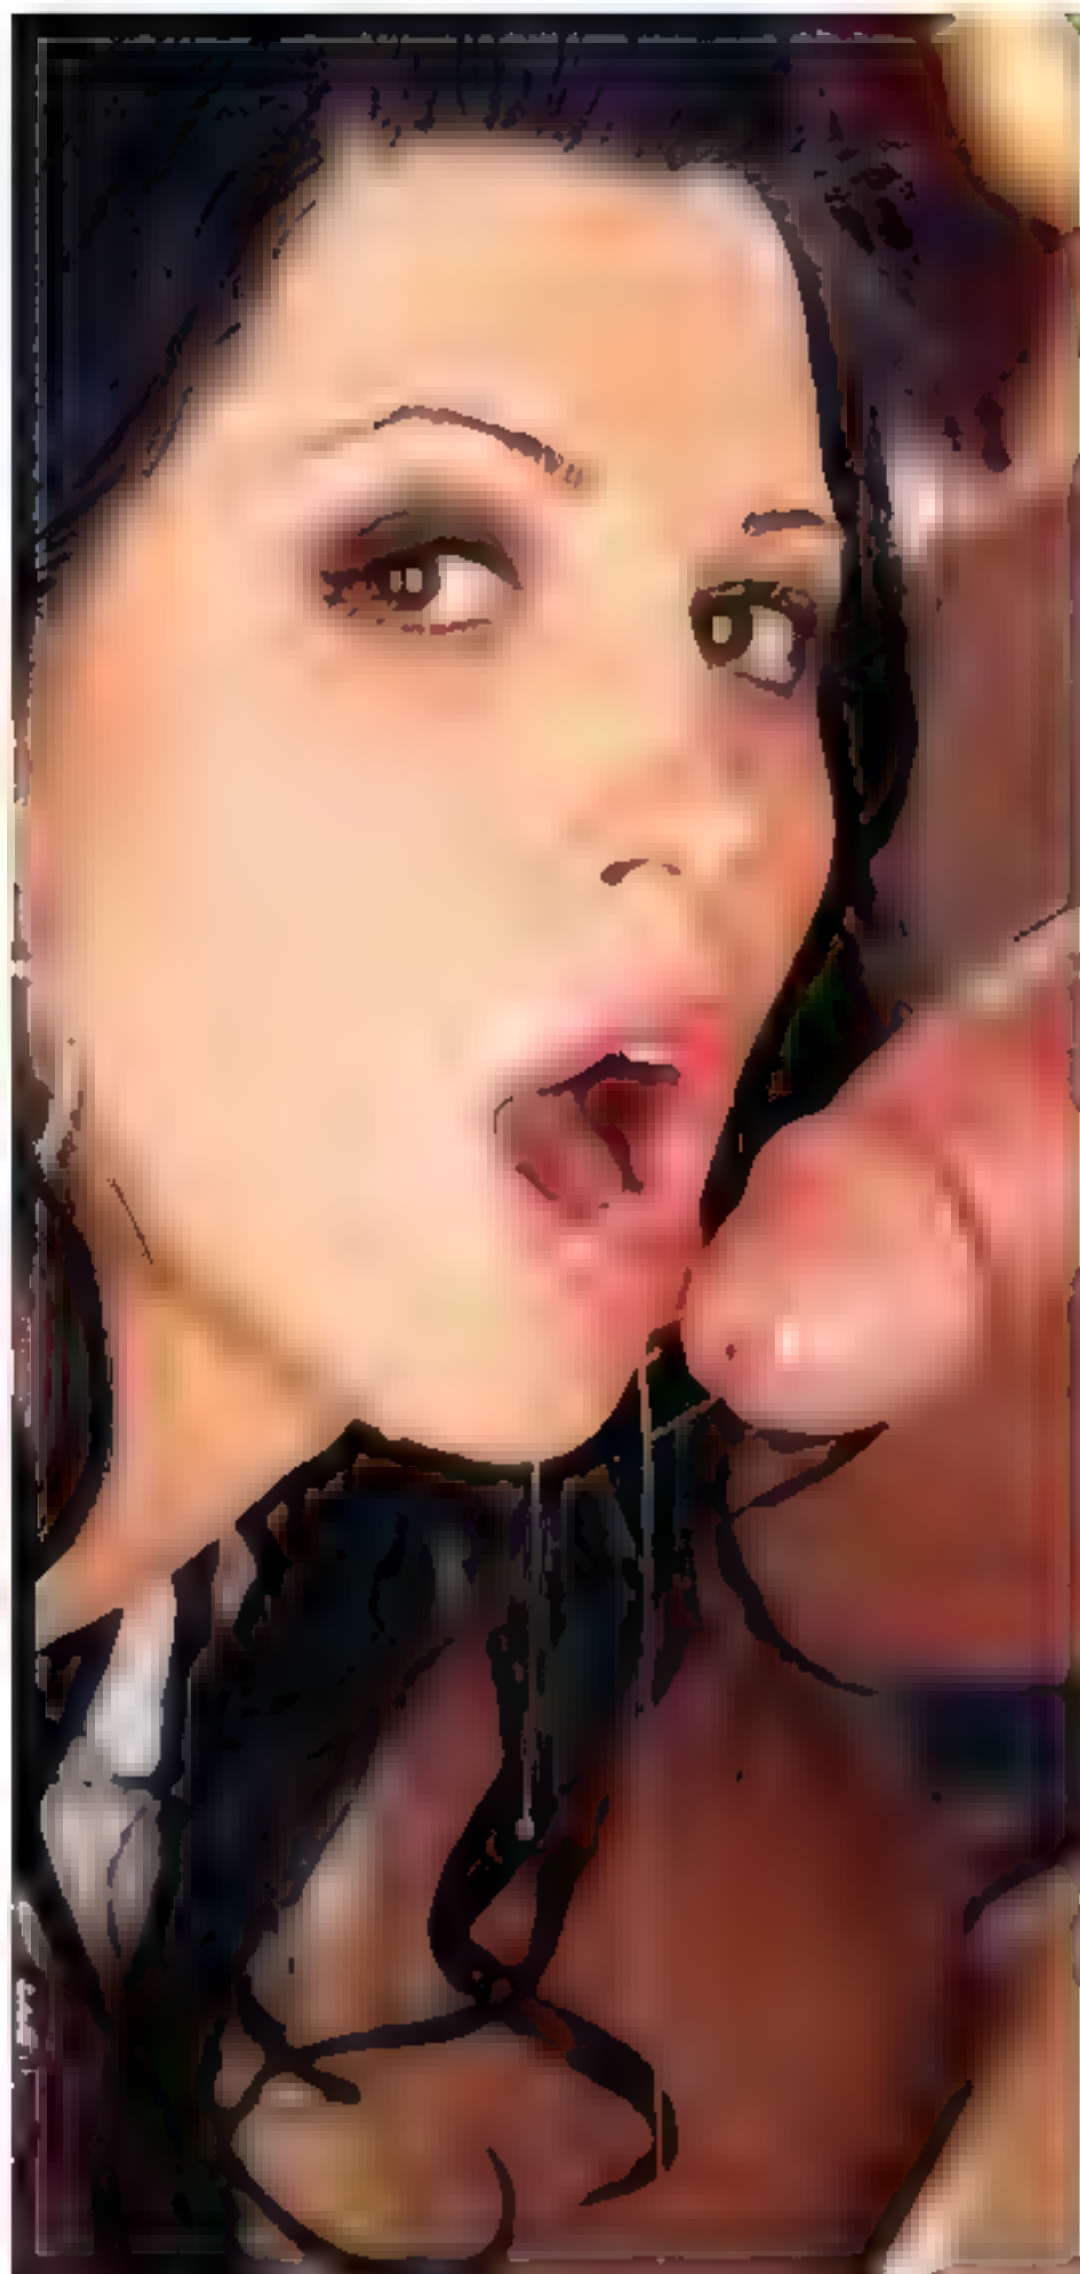

**S**o how many loads did you guys drop while looking at your favorite sex shots from the past year? We're guessing gallons of the white sticky stuff was unleashed while watching Performer of the Year Sasha Grey fingering her snatch back in September. Or when Wicked babe Kirsten Price got blasted with

a face full of jizz in December. We bet you saved enough goo to share with CHERI Entertainment Editor Jesse Jane every other month, or probably couldn't help but touch yourself when Lela Star appeared with her new tits back in April! We know you splattered your sperm all over Gina Lynn riding her new custom motor bike in May, and had images of

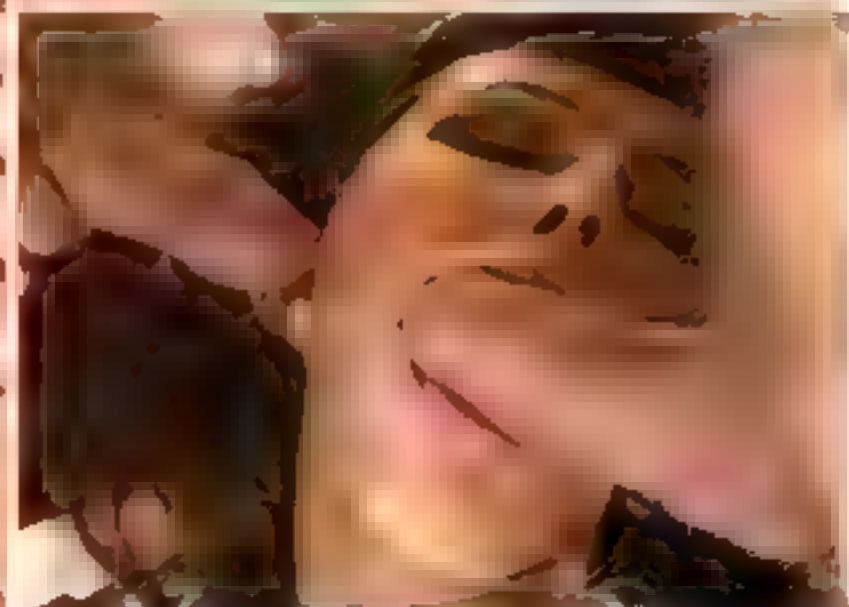

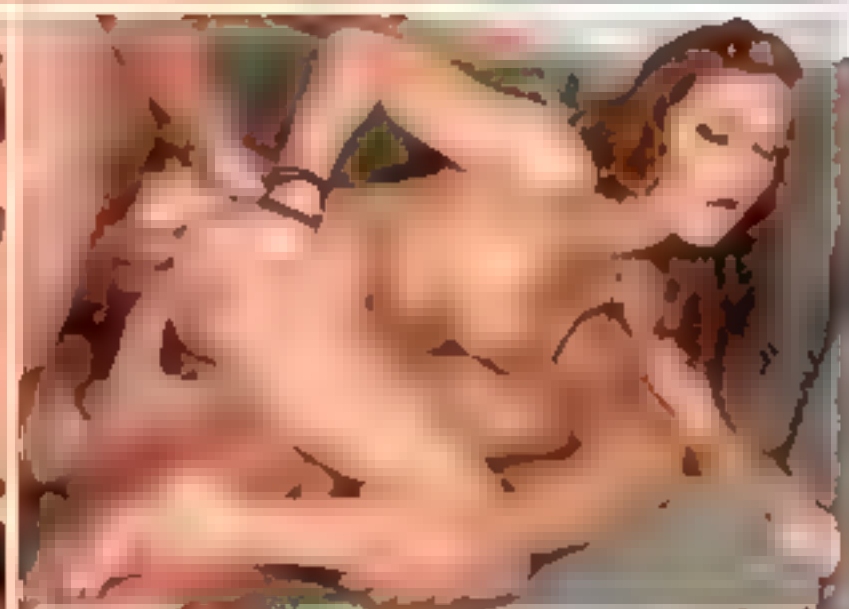

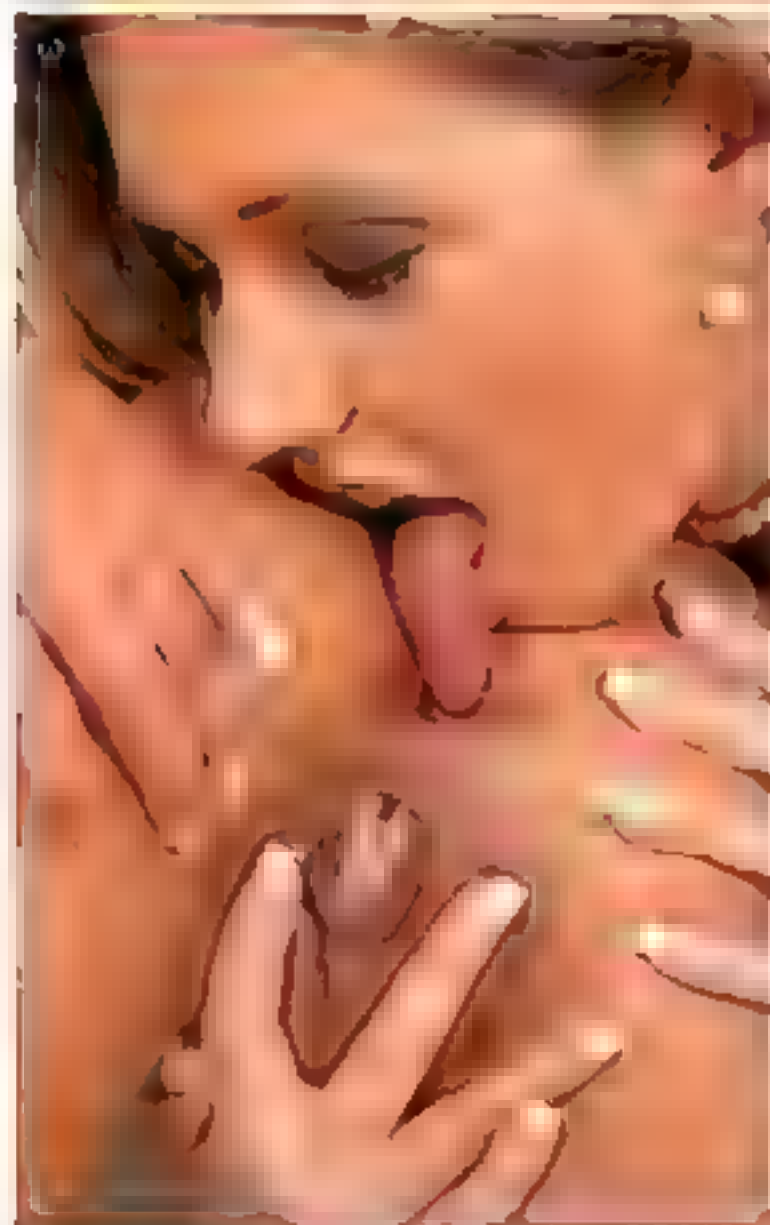

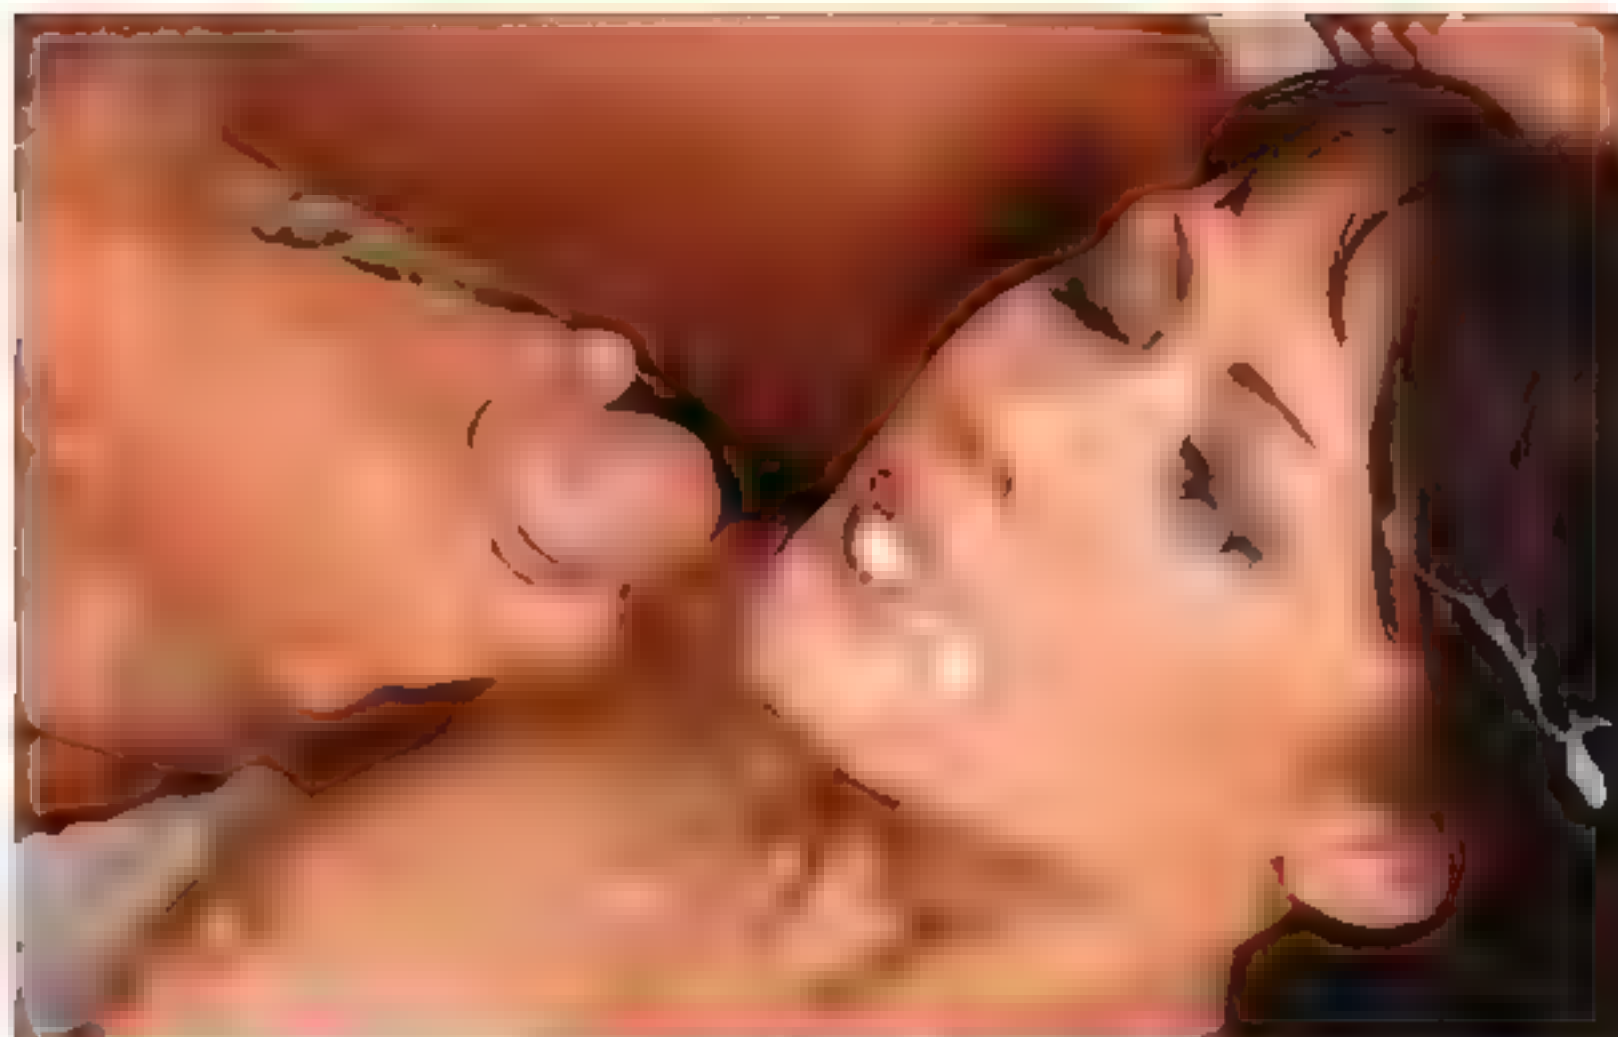

Gina riding your cock. Alektra Blue got interactive with us in November, then re-appeared with Lanny Barba, who buried her face in Alektra's ass in April. Rebeca Linares stuffed her throat with plastic cock in March, then decided the real thing was better, inviting Tommy Gunn and Marco Sanderas to double poke her holes in May. Plus we had the usual crop

of Euro girls gagging and getting drilled, performing nasty sex acts, from felching to ATM, and fresh new faces opening their pink and their sink for our photographers. That's real art. And that's what we hope we brought you this year—hot sex shots that will keep you cumming and cumming, year after year! ♥

CHERI 32 YEARS

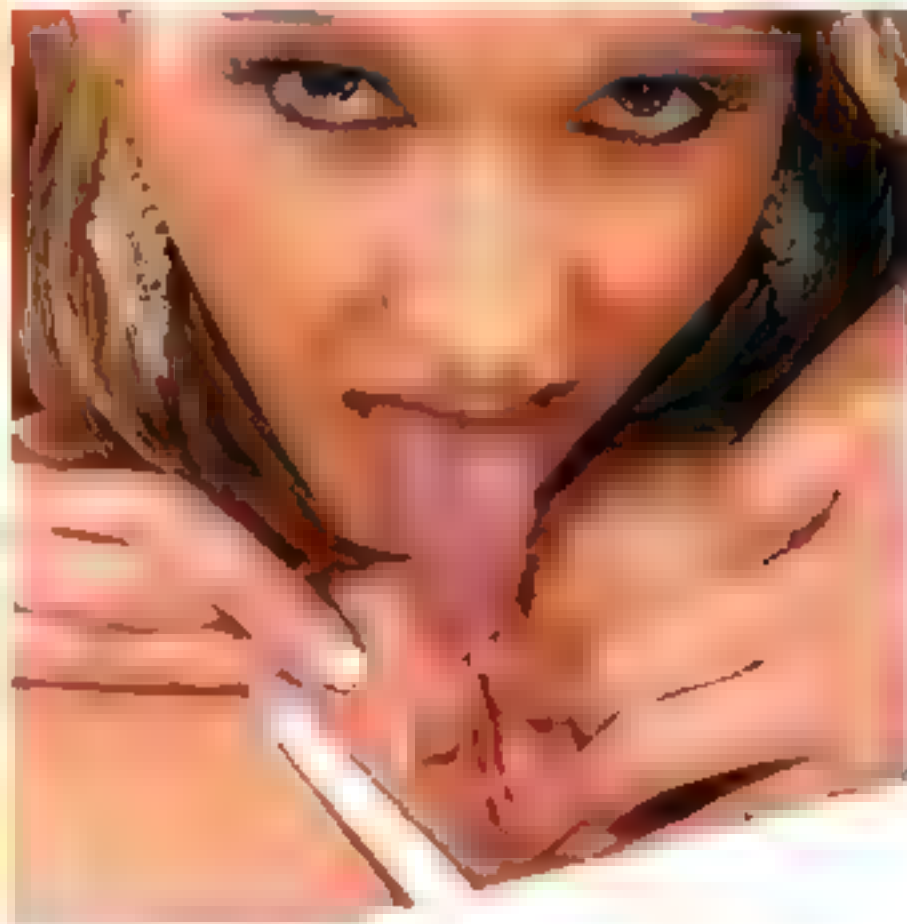

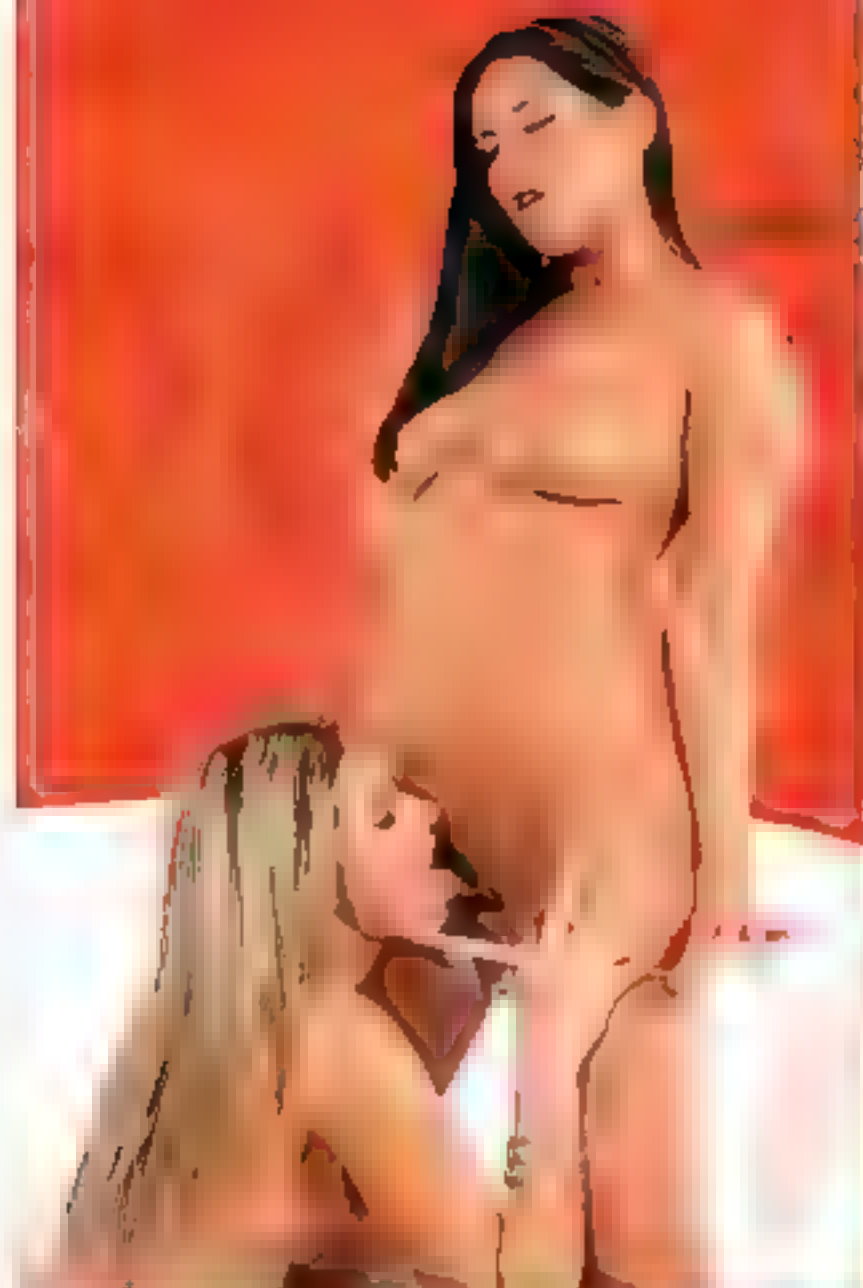

# veronica desouza & cherry jul

Cherry Jul invites her new girlfriend Veronica De Souza over to watch videos. Veronica is a movie buff who loves all kinds of movies, and thinks Cherry is a Euro actress. Cherry has been in a couple of movies she thinks Veronica will want to watch. She puts in the DVD, and immediately, Veronica is treated to a hardcore lebo scene from Cherry's latest movie, *Euro Dyle Quest: The Search For Cunt!* "Ohmigod," gasps Veronica. "What are you doing to her? Did she enjoy that?" Cherry quips, "I sure did," as she strokes Veronica's leg. "Let me show you how I did it." Cherry rips Veronica's clothes off, and dives into Veronica's already wet snatch. After she's done eating, Cherry grabs her toys, probing Veronica, and finger-fucking her hard. "You do me," Cherry orders Veronica, and she fucks Cherry until Cherry's cherry is popped, gushing her sweet juices all over Veronica. "That was hot," says Cherry. "You just passed my audition. Now, let me introduce you to my girlfriends. There's a big lesbian gangbang at the end of my next movie, and we need a fuck toy to play with!"
